FURTHER DISCUSSION

What was Israel's circumstance in Psalm 79? Why does it seem that we often have to hit rock bottom before we cry out to God and ask for forgiveness and help?

Have you ever felt like God was angry and/or silent? What might we do in times like these?

How did God discipline Israel in this Psalm? What often happened to the nations that oppressed and subjugated Israel? What does this say about God?

What was the Israelites' response to deliverance and what can we learn from that?
