### *"Correcting Messianic Misunderstandings, Part 2"*

**INTRO:** *Jesus' miracles contributed to His popularity, but also revealed popular misconceptions about the promised Messiah. Today we attempt to correct **the second of two** misconceptions in this chapter.*

#### **I. Jesus' feeding miracle confirmed His identity as the**

**\_\_\_\_\_ like \_\_\_\_\_ (6:1-14).** *God promised this Prophet in Deuteronomy. 18:15-19. Jesus' miracle replicated Moses' miracle with "bread from heaven." Cf. Exodus 16.*

#### **II. Some peoples' misconception of the Messiah is that**

**He is too " \_\_\_\_\_ " to care about meeting anything other than \_\_\_\_\_ needs (6:22-26).**

*This was in contrast to the misconception held by the disciples who believed that the Messiah was too BIG to care for their needs.*

#### **III. Believe that, as Messiah, Jesus is not too " \_\_\_\_\_ "**

**to care for \_\_\_\_\_ your needs (6:27-59).** *Jesus came to satisfy Mankind's biggest need; spiritual life!*

**A. Jesus was sent to impart \_\_\_\_\_ life (6:26-40).**

**B. People must believe Jesus' \_\_\_\_\_ life to have Jesus' \_\_\_\_\_ life (6:41-59).**

**C. Only those \_\_\_\_\_ by the Father will *believe* and *receive* \_\_\_\_\_ life. (Cf. Romans 8:29-30).**
