Good Samaritan Health Center of Cobb

Good Samaritan Health Center of Cobb · 1605 Roberta Drive SW · Marietta, Georgia 30008

ANNUAL REPORT · 2014

August 2015

Dear Cherished Friends,
If I have not had a chance to meet you yet, I am excited to do so via writing. I joined the Good Samaritan Health Center of Cobb in January 2015 and am eagerly following God's prompting and provision to keep me and my family serving in Cobb County. Prior to coming to Good Samaritan, I worked as the CEO of multiple hospitals and most recently as the VP of Behavioral Health at WellStar. Finding Good Sam was "a God thing". I was looking for an opportunity to serve and many people mentioned the Good Samaritan Health Center of Cobb in passing. It was like a sign from God- the Center happened to be hunting for a new CEO. I am thrilled to join the team and cannot wait to see what the future holds for us.

Good Samaritan Health Center of Cobb had an amazing 2014. As you know, GSC was awarded Federally Qualified Health Center status in November 2013. We spent 2014 introducing new policies, advancing Corporate Compliance, improving quality measures, and ensuring we provided the highest quality of care possible. We continued to expand essential primary care services, including medical, dental, prescription assistance, health education, and counseling.

Our outstanding practices and excellent quality of care was rewarded in 2014 with grant awards and gifts from 14 foundations. We were responsible for more than 25,700 visits and provided over \$13,400,000 worth of care. We experienced the magnitude of the community's generosity in both gifts and volunteer hours.

We are still working diligently to meet the needs of our neighbors and community at large. Although the Affordable Care Act was designed to decrease the uninsured population, GSC still serves many patients who are unable to afford private health insurance, Medicare, or Medicaid.

We anxiously await the 2016 completion of internal renovations on the new building that gives us more visibility and more accessibility by being directly on Austell Road. Patient health education and administrative offices will be relocated to this building, creating more space in the current building for what will become patient care areas, allowing GSC to increase capacity.

Your support is needed now more than ever as we aim to satisfy the demand for affordable and accessible healthcare in metro-Atlanta. We see the desperate need in our community every day. It might be the man on the side of the street with a cardboard sign or the cook at your favorite restaurant or the aide in your child's classroom. We cannot ignore the burden of our brothers and sisters. As John declared in 1 John 3:17, "but if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him?" Good Sam is opening its heart to our community and we ask you to prayerfully consider what it would look like to open your heart as well.

The future looks bright for Good Samaritan Health Center of Cobb. With sustained support from the community we will continue to expand our service while fulfilling our mission to spread the love of Christ by providing quality healthcare to those in need.

Sincerely,

Randy Cook, CEO

FELIPE'S STORY

Felipe was a construction worker from Mexico. He was experiencing great pain in his teeth, caused by years of grinding. His teeth were so worn down and damaged that he could not even chew! Felipe was seen in our dental clinic two and half years ago and was given a night-guard to prevent damage to him teeth due to grinding. Additionally, he was fitted with temporary crowns so he could become accustomed to the feeling of full size teeth, and later had permanent crowns installed. Felipe's front top teeth were nearly nonexistent, causing loss of confidence and societal judgement. In July 2015, he got a partial denture to replace his top front teeth. Felipe feels back to normal and now he can smile, chew, and feel confident. He was very grateful for the opportunity to be served by Good Sam!
