

## **“Hidden Treasure from Peter’s Healings” Acts 9:32-43**

**Followers of Jesus are not exempt from times of trouble or suffering. Sometimes, God chooses to deliver His people from trouble and other times He gives them grace to endure the suffering.**

Describe a time when God has delivered you from a situation that would have led to trouble or suffering:

Describe a time when you had to endure: Did God give you grace to endure? How?

How would you comfort a Christian that is suffering and has questions about why?

**Peter showed that he was dependent on the power of God to heal Dorcas by praying before performing the miracle. We too are dependent on God.**

Read John 15:1-8

What does Jesus say is essential to his disciples being able to bear fruit?

What do you think it means to abide in Jesus?

Jesus says these words to the apostles as He is preparing them for His departure. Why would this be important for them to know as they face carrying out Jesus' mission without His physical presence in their lives?

**We must apply the Word of God to our own circumstances. Brian explained that this may look different for each person.**

Describe what each passage means to you and give an example how you could apply it in life:

Galatians 5:16:

John 13:34

1 Thessalonians 5:22

Share your understanding and application of the above passages with someone else and compare your answers to theirs.

**Join us as we pray for a greater dependency on God, a greater willingness to apply the Word to our lives, and a better perspective of how we fit into the "big picture."**
