HCS & Public School Walk-out/Strike

While Heritage Christian School empathizes with our public school teachers, Heritage Christian School is not supported by state funds, our teachers receive no pay allotment from the state of West Virginia, and we are not part of their insurance packages. Being accountable to Our Lord and to you parents for good use of our time, Heritage Christian School WILL BE IN SESSION during public school teacher walk-outs unless we have a weather delay or weather cancellation.

Knowing that our position could be misinterpreted by even well-meaning people during teacher strikes and walk-outs, we will NOT be posting weather delays and school cancellation notices to public television stations 5 and 12 as we usually do.

Instead, we will only utilize text and phone messaging via RenWeb and will also post messages to our telephone answering system. These messages can be accessed by dialing 304-842-1740 X26.

HCS Snow Work Response Change

Because heavy rain is predicted over the next several days and we may have to delay or cancel school, teachers will be sending home make-up work for one missed day. If we miss a second day, no “snow work” will be sent. At this point in the school year, middle and secondary students especially struggle to learn concepts, particularly math concepts, without the advantage of a live teacher present with them. As we face consecutive days of missed school, we may find this to be a needed and wise response. We will clearly communicate to you when work is being sent and when work is being excused.

Our Board of Directors will be considering state law and what this change in our snow work policy might mean for our school calendar. We will communicate that information as soon as any decision is made. Thank you.

THANK YOU

Thank you, Thank you to Chrissy Hackney and Dana Gladysz for helping clean and spruce up in and around HCS. Your hard work is very much appreciated!
