Used Text Book Resale **REVISED** Guide 6-3-16

Only the following books are suitable for re-use during the 2016-17 school year

In order to participate in the used book sale, families having any of the following books to offer for resale, will need to return the following to HCS beginning Monday, May 23, 2016.

- included bookmarks (one per book)
- one self-addressed stamped envelope (for forwarding payment to you)
- books as listed below

We encourage you to take advantage of this unique opportunity! This service is designed to help you buy and sell textbooks, re-coup some of your book costs and reduce your next year's HCS book fees. Please note that while our school-time sale is set for our last school week, books will be displayed for resale throughout the summer. All families who purchase used books and communicate their used book purchases to the school will receive a book refund next fall. Unsold books will be returned to you (or held over if you so desire). Thank you!!

The following books are suitable for resale **IF THEY DO NOT INCLUDE ANSWERS PROVIDED BY PREVIOUS STUDENTS AND IF THEY ARE COMPATIBLE WITH CURRENT PUBLICATIONS.** Only books meeting these standards are eligible for the book sale and for re-use.
