

Share Your Talents Volunteer

Volunteers (mom, dad, grandparents and other relatives with a heart for the Lord and Heritage Christian School) are an ESSENTIAL and VALUED part of our school. Your assistance helps keep the cost of tuition down and contributes to the success and quality of our educational program. Simply check areas where you could share your time and talents with our children. Be sure to include your phone number so that we can contact you! Please note that fingerprinting and a negative TB tine test is required of all volunteers working at the school. Additionally, some training may be required for some duties.
