Children's Ministry Summer Program

Our summer interns, Ashley and Holly are getting the summer program ready!
The theme this summer is

Scavenger Hunt: **Where kids find their place in God's perfect story!** **July 5/6 to August 23/24**

The Children's Program (Nursery to Grade 4)
will again run during all three services.

Grade 5/6 students are encouraged to serve along side the interns.

July and August are our SUMMER SERVE months. We give our regular Children's volunteers a break over the summer and our interns take charge of the teaching and preparing the lessons.

SUMMER SERVE gives you the opportunity to work along side our interns and serve our children.

Please check your calendars and contact one of the interns as to when you can serve or sign up in the foyer.
