We will be providing orphan care at three different children's homes. It is a mix of work projects and interacting with the kids. We are housed in a large home in a gated community in dormitory style rooms. All meals are provided by the ministry – breakfast at the house (cereal, toast, fruit, juice, etc.), the team packs lunch for onsite and then more traditional style Mexican meal in the evening. Small group devotions and worship daily. Usually the group will take a group of students on a field trip sometime during the week. There will be a team from another church with us this week.

Hurricane Relief/Rebuilding – Location and dates to be determined

When: 2018 – specific dates determined by team members

Where: Texas, Florida, or Puerto Rico

Deposit: \$50

With the devastation that hurricanes Harvey and Irma brought in 2017 we would like to be part of the rebuilding efforts in 2018. We have contacted IDES (International Disaster Emergency Services) who work with organizations and churches in the affected areas to help rebuild their communities. All details will be based on interest and availability of potential team members.
