Regional Convening to Increase Housing and Homeownership Opportunities for Public Housing and HCV Participants

Why Sponsor?

The CAN I LIVE Section 8 Housing Forum is a multifaceted gathering whose primary focus is to facilitate dialogue among housing stakeholders by gathering its thought leaders, residents who receive subsidies, mission driven landlords, housing developers, community based organizations and government officials to increase access to affordable housing and homeownership opportunities for Housing Choice Voucher and Public Housing program participants and to spur innovation in reinvestment and community development opportunities.

The Section 8 Housing Forum seeks to:

- Incentivize and increase HCV landlord participation
- Educate Lender's on the benefits of working with the HCV program
- Innovate self-sufficiency program delivery for HCV participants
- Advocate for increased funding for landlords, and extensions for tenants
- Bridge the gaps within the program to increase smart affordable housing options for low income families.
