

Filtration Products:

Graver Technologies:

Liquid Process Filter Elements. Depth, Pleated, Membrane, Specialty Elements; Absolute Rated; High Flow; High Efficiency; Melt Blown; Glass Fiber; Polypropylene; Polyethersulfone; PTFE; Porous Metal; Carbon; Disposable Capsules; Filter Housings.

Donaldson Filtration Solutions:

Sanitary & Sterile Filtration; Compressed Air Filtration; Tank Vent Filters; Industrial & High Purity Steam & Air Filtration; Desiccant Dryers; Condensate.

Y2K Fluid Power:

Filter Carts, Totes, & Systems; Drum Toppers & Carts; Platform Carts; 4-Wheel Totes; Single & Tandem Filter Carts; Panel Filtration; Custom Designs. Lube Rooms. Vacuum Dehydration.

WTMI Filtration Products: Made in the USA

Liquid Process and Hydraulic/Lube Oil Filtration; All Filter Media Varieties available; Best Value OEM Replacements for Pall, 3M, Kaydon, Parker, others. Cartridges, Bags, Spin-On, Hybrids.

Rosedale Products:

Bag Filters, Basket Strainers, Bag Filter Housings – Bag Sized Cartridges; Depth Bags; Single & Multi-Bag Housings. Hybrid High Flow Filter Cartridge Elements.

Harmsco Filtration Products:

Water Filter Cartridges & Housings; Hurricane Brand Filter Elements & Housings; WaterBetter & Calypso Blue Brand Filters; Products for Water filtration & conditioning. Made in USA

CSM Products:

Reverse Osmosis, NF, UF, & MF for Water Treatment, Ultra-Pure Water, Brackish Water, & Sea Water. Fouling Resistant. Direct replacements for DOW Filmtec, GE, & all others.

Custom Systems:

WTMI Custom Water Filtration Systems:

Zero-Discharge Systems - Revolutionary Water Filtration System - NASA derived, Patented Advanced Nano-Alumina Fiber Infusion Media - No Waste Streams, No Backwash, No Electricity - 100% Green Technology & Environmentally Friendly.

Back-Wash Systems; Self-Cleaning Filter Systems; Custom Filtration Systems.

Instrument & Valve Products:

Waltron: Ultra-Purity Water Analyzers. On-line & Portable Units; Luminescence DO, Silica, Sodium, Phosphate & Others.

Thermal Instruments Co.: Mass Flow Meters & Switches for Liquids, Gases, and Slurries.

Autrol America Transmitters: Smart Differential Pressure, Gauge & Absolute Pressure, Level & Flow Transmitters.

Tricor Coriolis Flow Meters: Full Range of Coriolis Flow Transmitters and Sensors.

DK-Lok Tube Fittings & Valves: High Quality Single & Double Ferrule Fittings & Valves.

Liquid Controls: Precision Positive Displacement Flow Meters & Registers; Sponsler Turbine Flow Meters.

Level Controls: Liquids, Powders & Bulk Solids; Magnetic Level Gauges; Radar, Ultrasonic; Mechanical Float; Level Switches & Transmitters.

Kobold Instruments: Level, Flow, Pressure, Temperature Instrumentation.

Tri-Flo Primary Flow Elements: Orifice Plates & Unions/Flanges, Venturi Tubes, Pitot Tubes, Flow Nozzles, Flow Tubes.

Winters Instruments: Pressure Gauges, Thermometers, Pressure Switches, Pressure Transmitters, Diaphragm Seals.

ERDCO Engineering Co.: Variable Area Flow Meters; Insertion & In-Line Styles.

GEMÜ Valves & Controls: Sanitary & Industrial Diaphragm; High Purity, Angle Seated, Globe, Control, Plastic, Butterfly, Check, & Solenoid. Actuators, Positioners; Limit Switches.

Marsh-Bellofram / BelGAS Pressure Regulators: Pressure & Back Pressure Regulators for Liquid, Gas, & Steam; Pneumatic Relays

Quadrant Valve & Actuators: Multi-Port & Flanged Floating Ball Valves, Butterfly Valves; Actuation & Accessories.

ABZ Valves & Controls: High Performance Butterfly Valves; Wafer & Lug Styles; Automation & Accessories.

PBV Ball Valves: Floating & Trunnion Mounted Ball Valves; API 6D Check Valves; Severe Service Valves

Flo-Tite Ball Valves: 1, 2, & 3 Piece Valves; Multi-Port; Manual & Automated; On/Off & Control; Tank & Cryogenic Valves.

DSI Gate, Globe, Check Valves: Forged, Cast, Stainless Steel & Pressure Seal Gate, Globe, & Check Valves; 1/4" thru 36"

PresSure Products Company: Sight Glass Windows, Lights & Level Gauges

Luneta – Oil Analysis Products: 3D Sight Gauges; Bulls Eye Sight Glasses; Oil Conditioning POD; Sample Ports

Watson McDaniel: Control Valves, Steam Traps, Condensate Pumps, Pressure Regulators, Temp. Regulators, Relief Valves, Liquid Drains.
