STEWARDSHIP: A Way of Life

Your Time, Talent and Treasure
are God's Gifts to you.
*When you share them,
it is your gift to God*

Stewardship Reflection

The word “church” finds its roots in the Greek word *ecclesia*. However, a correct translation of that word is actually “an assembly of people, called out of their homes into a public meeting place.” Thus, the Church is really the people who make it up; the use of the term in relation to a building has developed through time, but we must never forget that it is we who are indeed the Church.

That is a basic part of something St. Peter writes in our Second Reading. Peter says, “... like living stones, let yourselves be built into a spiritual house,” in reference to the members. He is saying in effect that we are called to build a church with living stones, namely ourselves. We all also understand that for a structure to be most effective, every element is needed to keep it strong.

We, as the Church and as our parish, are no different. We need each person, each part of what is really the Church, to be like a living stone, active and involved. We are a faith community, not just a community of worshipers, but a community to reach out and serve others. To really do that we need each member to offer something of himself or herself.

In a message to a celebration about the Church being the people, Pope Francis said, “It is isolation that harms, not sharing. Being among people does not mean merely being open toward others, but also letting others get close to us.” To be open, to be Church, requires each of us to do a part.

THANKS A MILLION!!!

In our busy lives we sometimes neglect to take time and be thankful for all the blessings given. But late is better than not at all. So a special thanks goes to all those generous and giving people who shared of their time and talents during our Lenten fish fries and the Seder Supper. Holy name is a very giving parish and your support for the EMA food pantry and school back pack program are great examples of helping those in our community who struggle with keeping food on their tables. We continue to be family and let us not stop caring for each other just as God cares for us.

God bless, Pam Hurley

At the end of the 1st. Apparition, May 13, 1917, in Fatima, Lucia said: *“when She opened her hands, a most intense light penetrated our breast, reaching the innermost part of our souls and making us see ourselves in God. Then, inspired, we knelt down and repeated inwardly “O Most Holy Trinity, I adore Thee my God, my God, I love Thee in the Most Blessed Sacrament.”* A moment later, our Lady added: *“pray the rosary every day to obtain peace for the world and the end of the war.”*
