Leader: There is one God and there is one mediator, Christ Jesus,
Who came as a ransom for all, to whom we testify.

People: This saying is sure and worthy of full acceptance:

**That Jesus Christ came into the world to save sinners,
And was manifested in the flesh,
Vindicated in the Spirit,
Seen by angels,
Proclaimed among the nations,
Believed in throughout the world,
Taken up in glory.
Great indeed is the mystery of the gospel.

Welcome to Sebastian United Methodist Church

We hope that you will feel the warmth of this loving congregation while you are here worshiping with us. Please let us know if you need anything or want more information about our Church. We are an open and welcoming fellowship. It is our hope that you will come again and often

After Worship Coffee is a time of informal fellowship that follows the worship service. This is usually a gathering for coffee and light refreshments in the Fellowship Hall, but occasionally the coffee hour is replaced by a potluck lunch, a fundraiser brunch or other activities. If you would like to volunteer to help with fellowship hour, please stop by the kitchen after service.

Fresh flowers placed on our altar on Sunday beautify the sacred spaces of our church to honor God and are a gift to those who attend our services. Afterward, arrangements can be picked up after worship or can be donated to be given to members & friends who are hospitalized. The altar flowers can be dedicated to commemorate a special event, such as birthday or anniversary, or to remember a loved one for a donation of \$25.00.. The altar flower sign-up sheet is in the Narthex. Thank you so much for your dedication to the church and your church family

2017 Atlantic hurricane season. The **2017 Atlantic hurricane season** is an ongoing event in the annual formation of tropical cyclones in the Northern Hemisphere. The **season** will officially begin on June 1, **2017**, and end on November 30, **2017**

HURRICANE TERMINOLOGY

TROPICAL DEPRESSION a tropical cyclone in which the maximum sustained surface wind is 38 m.p.h. (33 knots) or less.

TROPICAL STORM a warm core tropical cyclone in which the maximum sustained surface winds is in the range of 39 to 73 m.p.h. (34-63 knots).

ADVISORY a formal message from the National Hurricane Center giving watch and warning information along with details of the tropical disturbance location, intensity, movement and precautions that should be taken. Advisories are numbered consecutively for each storm. Present location and intensity is described and expected movement is given. Remember though, tropical disturbances are not given names until they reach the storm stage - that is, rotary circulation, and constant winds of over 38 m.p.h. (33 knots). Advisories are issued at six (6) hour intervals..... At 5:00 a.m., 11:00 a.m., 5:00 p.m. and 10:30 p.m. Eastern Daylight Time. Each message will give the name, center (eye) location, and forecast movement of the tropical disturbance. Hurricane watches or warnings are examples of advisories that may be issued.

HURRICANE WATCH a warning that hurricane conditions are a possibility and may threaten the area within at 48-hour time frame. It also means that you should take action to purchase supplies and secure your home/business.

HURRICANE WARNING means that winds of at least 74 m.p.h. (65 knots), ranging up to 200 m.p.h. (174 knots) or more, are to be expected in the area within a 36-hour time frame. There is the possibility of an evacuation. Be ready to move quickly if such an order is issued by the authorities. Time could be a lifesaver!

June 4th is Pentecost Sunday WEAR RED

The main sign of Pentecost in the West is the color red. It symbolizes joy and the fire of the Holy Spirit. Priests or ministers, and choirs wear red vestments, and in modern times, the custom has extended to the lay people of the congregation wearing red clothing in celebration as well.
