

SOAR International Ministries, Inc.
Personal Covenant

Understanding that service in ministry is a way of demonstrating my faith, I promise to abide by this covenant.

- 1. I agree to share my personal faith in a respectful, Christian manner.*
- 2. I agree that I am under the authority of the team leadership and the SOAR International Ministries staff for my own protection and that of the team. (Romans 13: 1-6)*
- 3. I agree to submit at all times to the SOAR leadership to whom I am accountable and cooperate with others in the group concerning our work and life together, including daily work, food, lodging, and transportation (appeals will be thoughtfully considered).*
- 4. I agree to stay with the group when expected to do so (individuals or unrelated couples never going anywhere alone) and to participate cheerfully in all group activities.*
- 5. I understand that group cooperation is essential to the success of the mission and I take full responsibility for being a part of team meetings and devotions. (Romans 12:10, 18)*
- 6. I agree to avoid gossip, slander, grumbling and sowing discord and to keep one another from doing so. (Eph. 4:31-32)*
- 7. I agree to abstain from habits, behavior, or appearance that may offend others such as drinking alcohol, inappropriate dancing, and smoking. I agree to dress modestly and eliminate body piercings (only women's earrings allowed) and to be aware that my behavior represents my Christian faith. (1 Cor. 8:7-13)*
- 8. I agree to keep all relationships on a professional basis and realize that to become involved romantically with another team member would hinder the effectiveness of the whole team.*
- 9. I agree to seek the Lord's direction together in prayer when we disagree.*
- 10. I agree to be accountable to one another to fulfill this covenant.*
