

Thank you for ordering the **D.A.R.E. Marriage Mentor Training Start-Up Kit for Couples**. We appreciate your passion to strengthen marriages and families.

The Start-Up Kit you purchased includes the following:

- One (1) Marriage Mentoring Guide
- Two (2) Workbooks for Couples (Mentees)
- Access to the Online Mentor Training Video

Follow these steps to begin Marriage Mentoring.

1) RECRUIT COUPLES TO GET MENTORED

- Talk to your church. Determine how to access couples in need.
- Ask the Pastor to route hurting couples to you.

2) REVIEW THE ADMINISTRATION SETUP PROCESS

- Go to www.daretobedifferent.com and click on MARRIAGE MENTORING. Scroll down to COUPLE'S START-UP KIT and click on SETUP (AFTER ORDERING THE KIT). Follow each step carefully.

3) SET UP ACCOUNTS FOR THE COUPLES SURVEY

For instructions to the Couples Survey go to www.daretobedifferent.com and click on COUPLES SURVEY and follow the steps.

You must first set up an account as a **LEADER**, using the same Username and Password you created when purchasing the Mentor Training Start-Up Kit. As a Leader, you will need to pre-purchase survey credits and workbooks for mentees. Each person getting mentored should receive one workbook (two per couple). Mentees can then reimburse you for their survey and workbooks at a later time.

After the LEADER ACCOUNT has been set up, you can then set up a **MENTOR ACCOUNT** as a couple, using the same Username and Password you created when purchasing the Mentor Training Start-Up Kit. Your spouse will create their own unique Username and Password and have their own unique email. After you set up your MENTOR ACCOUNT as a couple, you can login individually at any time to view the survey results from your mentees. Also, after you set up your MENTOR ACCOUNT, you will automatically receive one FREE survey to fill out on your own marriage. It can only be used for your relationship (not for mentees).

MENTEES are to create their own account as a couple. Once they do, they can login individually at any time to take the survey. The survey results are automatically sent your MENTOR ACCOUNT.

4) MENTOR TRAINING ONLINE VIDEO

Watch the Online Mentor Training. Plan on five hours, which includes breaks. To access the online video, go to www.daretobedifferent.com. Move your cursor over MARRIAGE MENTORING. Click on MENTOR TRAINING VIDEO from the dropdown menu.

Login using your Username and Password.

When training using the online video, connect your computer to a projector and sound. Follow along with the video and take breaks accordingly. (The videos for the mentors are set up for four sessions.)

5) CONGRATULATIONS, YOU ARE NOW READY TO BEGIN MENTORING

- Every time a couple gets mentored you will need to provide one (1) Survey (per couple) and two (2) workbooks (one per person).
- Please allow 5-7 business days for shipping in the U.S. (10-14 days outside the U.S.)
- For every couple you mentor, create a folder to include the Session Logs and a Mentor Request Form (found in the Administration Setup section). This will aide in accurate recordkeeping and a resource for later if you need to follow up with the same couple.

Our hope is for you to experience the power of marriage mentoring and share this with your church. Contact us to learn more about providing a live mentor training for your church.

Sincerely,

Matt Loehr, President of Dare to be Different
