Story of Swag

Since the beginning of the Spirit FM Women's Conference, the swag bags have been a huge hit! They have included books, jewelry, CDs, gift cards, coupons, make-up--you name it! In fact, it has become quite common to see guests posting their swag bag "haul" on social media. The conference leadership quickly realized the opportunity to not only give a gift to the women attending; but to also make a DIFFERENCE in the lives of women and children who may be hurting.

This year's swag bag gift is a make-up bag, (can also be used as pencil case/shave bag/sewing kit, etc.) from the Freedom Collection. These adorable, hand-crafted bags are made by women in India who have escaped human trafficking. For the hundreds of women who were once trapped in India's sex trade, they now have freedom and dignity. These bags are more than a piece of fabric; they are truly a gift of independence, transformation and hope!
