Judson does not charge additional fees for many of the academic programs offered. Tuition alone does not cover the cost of operating the school, including the special activities, events, and field trips that are a meaningful part of the educational experience. Instead, our entire community is asked to make a tax-deductible donation to the Annual Fund. The Annual Fund supports all our academic programming, academic services, faculty professional development, etc....The Annual Fund helps cover the cost of:

- Academic materials and resources

- Music, art, and drama programming
- Library and technology
- Faculty professional development
- Facility improvements
