Chaplain Jonathan Carey,

This year, you were nominated to our Board of Directors and confirmed by vote as I.F.O.C.'s 2025 Chaplain of the Year. Congratulations, and thank you for your efforts to expand Chaplaincy around the world!

The nomination is below. We would love a photo of you holding the award if you don't mind sending one to me!

In 2025, Chaplain Carey led efforts to teach our 16-hour Chaplain course in multiple nations and aligned all materials for the 16-hour course to align with the FCI / I.F.O.C. branding. He has been invited to speak on Chaplaincy to the Bahamas governmental parties and personally lead the FCI / I.F.O.C. disaster response efforts to Jamaica and the Southern Bahamas following the Hurricane that previously hit those nations last month. Jonathan is directly responsible for the spread of Chaplaincy to multiple nations over the last few years. He will be opening an office in the Bahamas for FCI / I.F.O.C. use in March 2026. He is a huge international supporter of FCI / I.F.O.C.
