CORE CURRICULUM

Taught by Dr. Jerry Brandt, a father in the faith, with more than 50 years of evangelism experience. He is fondly called “Action Man” and “Kingdom Man”. Dr. Brandt graduated from Bob Jones University, earned his Masters degree from Denver Baptist Bible College, and received his honorary Doctorate in Divinity in 2014 from Christian Life School of Theology. Dr. Brandt has led large crusades worldwide, hosted a nationwide television show in the Philippines and hosted a nightly television program in California. With a passion to help the underprivileged, he secured the “Lock Knott” ship, a WWII troop carrier, and helped restore it to house the homeless in the San Francisco area. The ship was sold to a commercial fishing company, but later a Christian bought it to bring Jews back to Israel. His passion is to teach the Word and to impart to the younger generation purpose and destiny. Dr. Brandt has his own broadcast network, WATV, and is actively spreading the End-Time message of the Kingdom by radio and Television broadcasting through his channel on Roku, FireStick and Chromecast. Core Curriculum by Dr. Brandt.
