## *Correcting the Church* “Fleeing the Sexual Revolution”

**INTRO:** *The Corinthians misunderstood their new freedom in Christ (6:11-12) and justified illegitimate activities using popular slogans from their culture for support. Paul responded to their slogans with sound theology.*

**I. Believers enjoy spiritual \_\_\_\_\_ in Christ.**

*In salvation, Believers are **free** from the penalty of sin, damnation, Satan’s accusations, and the fear of death, among other things.*

**II. The \_\_\_\_\_ pressures Believers to conform to its \_\_\_\_\_ mores (6:12-17).** *Every Culture tells lies to pressure conformity to its customs and changing standards.*

**III. \_\_\_\_\_ sexual sin and glorify God in your \_\_\_\_\_ (6:18-20).** *We are **not** called to **resist** sexual temptation but to **flee** from it like Joseph (Gen. 39:5-12). Here are **3 reasons WHY** Christians must flee the sexual revolution in our culture.*

**A.** \_\_\_\_\_.  
*This kind of sin is against the body **like no other**.*

**B.** \_\_\_\_\_.  
*The Christian’s body becomes a miniature temple in which the Holy Spirit dwells as God’s downpayment of a future glory.*

**C.** \_\_\_\_\_.  
*The price God paid for our salvation was the sacrifice of the Son of God! (1 Peter 1:18-19).*
