

DANIEL

Kingdoms in Conflict *"The Antichrist Type"*

INTRO: *It's been said that since the Devil doesn't know God's time table for end-times events, he always has "his man" (the Antichrist) prepared for the ultimate battle. In this chapter, Daniel is alerted to a **type** of Antichrist who points ultimately to the **antitype** Antichrist introduced in chapter 7.*

- I. The Eschatological _____ will persecute _____.** *The eschaton refers to the end times. Gentile kingdoms currently subjugating Israel will culminate in a kingdom ruled by the Antichrist.*
- II. Identifying the Eschatological _____ could be confusing.** *What specific attitudes and behaviors will enable those living in the eschaton to identify the Antichrist who will usher in the period of Tribulation?*
- III. Be confident; God provided _____ as a historical _____ to enable identification of the Eschatological _____ (8:1-27).** *Types are historical personalities who foreshadow a future person. There are three major points to emphasize (see reverse for more comparisons).*
- A.** _____.
- B.** _____.
- C.** _____.
