

**FOUNDATIONS OF FAITH****Genesis 1-11*****“The Portal to True Immortality”***

**INTRO:** *In Genesis 6 reveals that as the human population increased, so did evil. The sin which precipitated the Fall in the Garden was sadly repeated many generations later and reaped a judgment which serves as a warning today.*

**I. Mankind is seduced by the promise of \_\_\_\_\_**

**(6:1-4).** *In theme and grammar, this story echoes the original “Edenic” Fall (Cf. 3:1-7). Satan’s tactics may change but his purpose does not; He wants to seduce people to pursue independence from God.*

**II. A Pursuit of \_\_\_\_\_ through \_\_\_\_\_ brings God’s \_\_\_\_\_ (6:5-7).**

*False Religions (New Age and Mormonism, etc.) and Science Fiction Realities like AI and Transhumanism promise immortality but reap God’s judgment.*

**III. True \_\_\_\_\_ is received by \_\_\_\_\_ (6:8).**

*Though imperfect, Noah demonstrated faith in God through his righteous behavior. He experienced God’s grace in deliverance from worldwide destruction. By following his example, we too may **escape God’s judgment** and experience true **immortality**.*

**A. Repent of your \_\_\_\_\_.** *To **repent** means to **change your mind** with respect to sinfulness and need for a Savior.*

**B. Trust in \_\_\_\_\_.** *Jesus’ sacrifice on the cross provided atonement for sin. His righteousness is imputed **by faith** into our spiritual account.*
