## *Everything's Better with Jesus!*

### *"A Better Message, Part 1"*

**INTRO:** *Thus far, we have learned that the **Son** (Jesus) is a **better messenger** than either **prophets** or **angels**. But what exactly is His **message**, and what are the practical reasons for its reception? Today's message will focus on the first, and **most important**, reason.*

#### **I. The Son (Jesus) is God's supreme \_\_\_\_\_**

**(2:1).** *The author proved the Son's superiority over **prophets** and **angels** (1:1-14), but **why** is His message so important!*

#### **II. A supreme \_\_\_\_\_ means *little* if His message is not \_\_\_\_\_. The response of accepting Jesus' message is not just **logical** but **imperative** (Cf. "...we MUST...").**

#### **III. Pay close attention to the Son's message because \_\_\_\_\_ is *perilous* to one's spiritual \_\_\_\_\_. **(2:2-4).** *There are two reasons mentioned.***

**A.** Neglect denies a *greater* \_\_\_\_\_ than that which disobedience to the Law \_\_\_\_\_ (2:2-3a).  
*The Law could threaten **physical** death for disobedience, but the New Covenant threatens **spiritual** death (Cf. Gal. 3:23-24).*

**B.** Neglect disrespects the *confirmed* \_\_\_\_\_ witness (2:3b-4). *God validated Jesus' message through the apostles with miraculous sign and wonders and spiritual gifts (Cf. Acts 14:3).*
