### *"Faithful to the End, Part 2"*

**INTRO:** *We continue our study of the faithfulness of Jesus in completing the mission the Father had set for Him. By studying Jesus' faithfulness, we will learn principles that will help us to remain faithful to the end. This is the second of four parts.*

**I. God desires for Believers to remain \_\_\_\_\_ to the \_\_\_\_\_. Paul's 2nd letter to Timothy is an encouragement to remain faithful despite challenges (2 Timothy 2:11-13).**

**II. The \_\_\_\_\_ tests Believer's \_\_\_\_\_ (14:53-65).** *Just as Jesus was unfairly brought before the religious establishment, so His disciples stand trial today by the unbelieving world for their association with Him.*

**III. To remain faithful to the end,...**

**A. \_\_\_\_\_ (14:27-42).** *Prayer is where this surrender occurs.*

**B. \_\_\_\_\_ (14:66-72).**

1. *Who you are shouldn't change depending on the \_\_\_\_\_.*
2. *\_\_\_\_\_ can, but does not always, equate to \_\_\_\_\_.*
