

The Spiritual Benefit of Corporate Worship's Unity

INTRO: *The Psalms were Israel's inspired hymnal. We don't know the tunes to which they were sung, but like any worship song, the words are the most important feature. Psalm 133 celebrates the unity experienced by God's people in corporate worship. Why is unity in worship so important?*

I. _____ worship _____ God's covenant people (1).

Unity is oneness in purpose and nowhere more acutely experienced than corporately before God's Throne in worship.

II. God's covenant people are tempted to *de-prioritize*

_____ worship. *The World tantalizes Believers into extra-curricular activities that take them away from Church services.*

III. Prioritize _____ worship for the spiritual benefits it's _____ offers (2-3). Why is corporate

worship important? The psalmist provides two reasons using simile.

A. _____.

It emboldens us to be the royal ambassadors that God has designed us to be for Him (Exodus 19:6; 1 Peter 2:9).

B. _____.

It refreshes and revives Believers to thrive on mission in a world that pushes back against the Church.
