

# ***REVELATION***

**The King is Coming!**

*Thy Kingdom Come*

**INTRO:** *As the 7th Trumpet sounded, a loud chant of praise and thanksgiving erupted in heaven. This praise was focused on the Kingdom coming to earth. How did God **lose** His Kingdom that He should **get it back** in the future, and what **hope** do Believers have in its return?*

**I. The \_\_\_\_\_ of \_\_\_\_\_ is the overarching theme of the \_\_\_\_\_.** *God's Kingdom existed **before time** was created, and God's Kingdom will exist when time ceases to exist.*

**II. The \_\_\_\_\_ of \_\_\_\_\_ is currently under the control of the \_\_\_\_\_.** *The Devil deceived Adam & Eve who willingly turned over the title to the earth when they sinned.*

**III. Believers anticipate the return of \_\_\_\_\_ and the establishment of His *earthly* \_\_\_\_\_ (11:15-19).** *The **Last Adam** (Jesus, God's Son) will return to earth to do what the **First Adam** failed to do; represent the Father perfectly.*

**A. \_\_\_\_\_.**  
*God cannot lie. The promises of Jesus' return are certain.*

**B. \_\_\_\_\_.**  
*That which we now experience will be infinitely intensified.*
