Jesus Confronts a Compromising Church

INTRO: *We continue our study of Jesus' letters to the seven churches. Today we examine His letter to the Church at **Pergamum**, a church struggling with worldly compromise. Remember that the seven churches represent ALL Churches during the Age between Messiah's Advents.*

- I. The glorified _____ judges His _____ (2:12).**
*His judgment is not to **condemn** but to **convict** for the purpose of change to His glory.*
- II. The church must resist _____ to the _____ (2:13-15).** *Jesus knows that even faithful churches can struggle against the corrupting philosophies of an evil culture.*
- III. _____; do not _____ but _____ false teaching that threatens to _____ the church to the World, and joyfully anticipate the _____ (2:16-17).** *If the church **tolerates** teaching and compromises her purity as the Bride of Christ, blessings will not be as joyfully anticipated.*
- A. _____.**
Those who tolerate false teaching are just as guilty as those who adhere to them. We are a spiritual Body!
- B. _____.**
