Jesus Confronts a Church in Apostasy

INTRO: *We continue our study of Jesus' letters to the seven churches. Today we examine His letter to the Church at **Thyatira**, a church judged because of its **apostacy**. Remember that the seven churches represent ALL Churches during the Age between Messiah's Advents.*

I. The glorified _____ judges His _____ (2:18).

*His judgment is not to **condemn** but to **convict** for the purpose of change to His glory.*

II. An _____ church is destined for _____

(2:19-23). *This particular "church" is no different than the World. The time to repent is short and punishment is severe.*

III. Stay _____ despite church _____ and show yourself worthy of _____ with _____

Jesus (2:24-29). *The judgment upon unrepentant apostate churches is severe but the reward for true Believers is faith-affirming.*

A. _____.

Though every "church" (local congregation) falls into Apostasy, the true Church of Jesus Christ remains faithful!

B. _____.

Faithfulness (faith expressed in action) "proves" one is destined to receive eternal rewards, which includes reigning triumphantly with Jesus in His Millennial Kingdom.
