## **The King is Coming!** *Jesus Confronts a Faithful Church*

**INTRO:** *We continue our study of Jesus' letters to the seven churches. Today we examine His letter to the Church at **Philadelphia**, a church that was faithful despite its small size. Remember that the seven churches represent ALL Churches during the Age between Messiah's Advents.*

**I. The glorified \_\_\_\_\_ judges His \_\_\_\_\_ (3:7).**

*His judgment is not to **condemn** but to **convict** for the purpose of change to His glory.*

**II. A \_\_\_\_\_ church will not be shaken by life's " \_\_\_\_\_ " (3:8-10).** *This church need not fear*

*missed opportunities, enemy attacks, or even the future tribulation.*

**III. Hold \_\_\_\_\_ to \_\_\_\_\_ and His \_\_\_\_\_, and joyfully anticipate the permanence of \_\_\_\_\_ citizenship (3:11-13).**

**A. \_\_\_\_\_.**

*Though we are imperfect in our fidelity to Jesus, He is always faithful to us (2 Timothy 2:13).*

**B. \_\_\_\_\_.**

*Our faithfulness does not compare to the enduring quality of Kingdom citizenship which will be ours.*
