

REVELATION

The King is Coming!

Our Creator is Worthy to Judge the World

INTRO: *We resume our study of Revelation with a change in vision venue. Revelation 4:1 begins a new section with John called from earth to heaven to spiritually “see” what must take place after Jesus judged His Church.*

I. God is prepared to _____ the unbelieving _____ (4:1). *With the Church judged, the remaining judgment is slated against a World that rejected God’s authority.*

II. The unbelieving _____ denies God’s _____ to _____ because it denies God’s _____ of Himself in _____. *Romans 1:18-25.*

III. Praise God as _____: He is _____ to _____ the unbelieving _____ (4:2-11). *God, by His very nature, is a creative Being (He creates because He is creative). This is beautifully manifested **visually** for John’s and our benefit.*

A. _____.
God’s creatures reflect His various attributes.

B. _____.
This is an activity prompted by the Creator.

C. _____.
The execution of this judgment begins in Revelation 6.
