Pastor's Pondering

Do you remember the “Miracle on the Hudson,” when an Airbus A320 landed on the Hudson River? Apparently, Captain Sully was able to quickly determine that he could not make it to an airport by watching his glide line. As the plane dropped in altitude, the runways were above the glide line, not below it, which told him he would never reach them. Armed with that reality, he was able to ignore any wishful thinking and focus on what he could actually do: a water landing.

While we are not generally faced with such drastic choices, we do face times when we need to accept a “new reality” to the one we have lived in. Maybe it is a health diagnosis, a job termination, or a friendship that goes sour. Although these changes are hard to take at first, accepting them allows us to move forward into what is, and to leave behind wishful thinking.

- Blessings, David

We move into **2 Timothy 3:1-9**, and Paul's teaching on the depreciating behavior of people in the last days.

June Memory Verse

For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.
