YOUTH

**Be the Change.  
Create the Change!**

# TODAY'S YOUTH FACE MORE INFLUENCES THAN BEFORE:

- Access to Tobacco, Alcohol, & Drugs
- Peer Pressure
- Media Messages

**B.A.D.D. members are located across the country.**

B.A.D.D. equips and empowers youth ages 10 - 17, (with the guidance of adult facilitators) to help prevent tobacco, alcohol, and illegal drug use.

# Assessment – Gather Data

# ALCOHOL ABUSE

Many reports state that about

73% of felonies

67% of child-beating cases,

41% of forcible rape cases,

80% of wife-battering,

72% of stabbings are alcohol-related

About 83% of homicides, either the attacker or the victim or both had been drinking

# Our Neighborhood Affects Our Health

## Unhealthy Community

Unsafe even in daylight

Exposure to toxic air,  
hazardous waste

No parks/areas for  
physical activity

Housing is run-down; linked to  
crime ridden neighborhoods

Convenience stores, cigarette  
and liquor billboards, no  
grocery store

## Healthy Community

Safe neighborhoods, safe  
schools, safe walking routes

Clean air and environment

Well-equipped parks and  
community recreation

High-quality mixed income  
housing, both owned and rental

Well-stocked grocery stores  
offering nutritious foods
