Hot Lunch Packet 2018-2019
First Session August 27, 2018 through December 21, 2018

Please review the following information and return your child's meal selection form on the first day of school.

This is for the first session of hot lunch, August 27, 2018 through December 21, 2018. There are 20 meals, rotating every four weeks. The cost is \$3.75 each meal and extra portion choice is an additional \$2.50 per meal.

Please select a meal plan for your child based on the meals they will be eating throughout this session. The food purchased for hot lunch is based on the student hot lunch count. An accurate daily number of meals to plan for are needed in order for this program to run effectively.

The meal plan is based on the number of days school is scheduled to be in session. Holidays ARE NOT included in the meal plan.

FORGOTTEN LUNCH? If your child is not eating hot lunch and forgets their bag lunch from home, the student should make their teacher aware of this first thing in the morning. This allows adequate time for a phone call home to have a lunch brought to them before their scheduled lunch period. If your child needs to eat hot lunch that day please call the office, or your child may come to the office before 9 a.m. that morning so the lunch count for the day can be adjusted and you will be billed accordingly.

Payment may be made in full for this session or if you choose the monthly payment plan payments are due on the first of each month, September 2018 through December 2018. The general policy is, in order for hot lunch to be served the account must be current. If for any reason a check is returned you will be contacted to clear the matter and a \$25.00 processing fee will apply.

Holidays ARE NOT included in the meal plan, only days school is scheduled to be in session. Only forms signed by the parent will be accepted. If a reimbursement form is not submitted it will be assumed you wish to donate this to the hot lunch program, which is very much appreciated, thank you.

We continue to strive for the betterment of the students, school and all involved working together to make the hot lunch program a success. **If you are willing to volunteer in the kitchen a few hours each month please contact the school office.**

 Payment Indicator

Student Name _____ Teacher _____ Grade _____

This is a quick way to tabulate the amount you pay for your child's hot lunch. The cost per meal is multiplied by the number of times each meal is served. Mark each meal you chose and carry the total over to the right column. Add column down for your total cost. The extra portion column is done in the same manner. Add the two column totals together. This is the full amount due for this session of hot lunch. You may pay this total in full before September 1, 2018 or divide the total into 4 equal monthly payments. The first monthly payment is due on September 1, 2018 and the remaining four payments due the 1st of each month, October through December 2018.
