### WORDS OF WISDOM from Our Ecumenical Patriarch

#### "Give Thanks to God"

In our usual manner, we always go before the Lord to seek his will as to about what we should write in this space permitted to us by the illustrious Editor in Chief of the Headquarters Messenger Fellowship and Newsletter.

Sometimes the Lord will have us to wait until we receive such inspiration to write and other times he will almost instantly speak to our spirit. We are now writing from an instant inspiration, dropped into our spirit.

We think of the passage from the Word of God in Thessalonians 5:19 which says, *"In every thing give thanks: for this is the will of God in Christ Jesus concerning you."* When we just think of the goodness of Jesus and all that he's done for us, we realize that we are powerless to thank God for **everything**, but we can in **"every thing"** give thanks. We believe that what the Holy Spirit is revealing to us is that we should find the reasons or understand that in every thing we should give thanks! Regardless of the circumstance in which we find ourselves, or the situation with which we are faced, or the trial(s) we are going through, there are always reasons to give thanks!

In Romans 8:28 the Apostle Paul reminds us, *"And we know that all things work together for good to them that love God, to them who are the called according to his purpose."* You may not comprehend why, (**being who you are**) you must endure the vagaries of life. Why would God allow me to have this medical issue, or this financial problem, or whatever it may be? Beloved regardless of your election as a believer, Christ Jesus reminds us: **"...for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust."** (Mt.5:45b) **Life Happens!**

The will of God for us is to GIVE THANKS! Praise Him anyhow! Thank him when you can "see your way" as well as when you "can't see your way." Thank Him because when you THANK HIM, you demonstrate that you are rooted and grounded by faith in the power of almighty God. The Apostle Paul along with Silas were wrongly accused, beaten, cast into the lowest prison, and bound with iron stocks, but they THANKED GOD! (Acts 16:19-26)

*Some Encouraging  
Words From The  
Editor- Mother Bishop  
Shirley Tindal "Moving  
Forward By Faith"*

They did not waste time complaining, crying, having a pity party, hating their accusers and captors, but they praised God. Praise is a way of telling God, **THANK YOU LORD! THANK YOU, JESUS!** Thank you, Lord God, that I am in your will! You may deliver me out of this, or you may not, **BUT WHATEVER HAPPENS, THANK YOU LORD. When you yield to the will of God then God will perfect his will in you!** , *"In every thing give thanks: for this is the will of God in Christ Jesus concerning you."*

Greetings All in the Precious Name of Our Lord! We are so happy and excited to have this opportunity to share with you through our Headquarters Jurisdictional Messenger and Fellowship Newsletter!

We praise God that we are yet rejoicing over our Powerfully Anointed UFCCM Virtual Year End Meeting that we experienced for 4 nights, Tuesday June 23<sup>rd</sup> to Friday June 26<sup>th</sup>! For many of us it **"felt like Conference"** because the ***Ruach HaKodesh*** (Holy Spirit) permeated the air ways with his presence from California to Massachusetts, from New Jersey to Wisconsin, from Louisiana to Texas, and from Georgia to the Bahamas!

The powerful words of encouragement coming to us from our Ecumenical Patriarch on Tuesday night ignited our souls! As well as learning to advance the team, by passing "the ball" and ***Moving Forward by Faith*** from Bishop-Elect Haywood, Overseer Tindal, and Bishop Nixon in order to reach the finish line! They brought much needed words of inspiration and hope.

We continue to move forward by faith in the mist of this worldwide pandemic. We continue to urge you to use caution and precautions to stay safe. We cannot always give a reason as to why some things happen as they do, but we want to encourage you to **look for the purpose and not for the why.**

When we were in graduate school, we were often instructed to look for the purpose of a thing. How does this impact the environment, the data, or the outcomes? What can we learn or gleam from this, how can we improve, make changes, or make things more effective? In others words what is the takeaway from this. For many of us we have implemented modes of communication that we had not envisioned before the onslaught of the pandemic. True, we miss our "face to face" meetings, but what we have found is that we have been able to reach many more who would otherwise not be able to join us in worship! So be encouraged, **God has everything in control**; He is our source! Remember as the Apostle Paul told those in Thessalonica and us today: *"But ye brethren, be not weary in well-doing"* ( II Thessalonians 3:13).

**Pray for God to show and remind us of the purpose as we continue to Move Forward By Faith!**

Remember that it is the wise man/woman who takes the time to count up the cost before he/she starts out on their journey. And that wise man/woman will always build their house upon the solid rock. That solid rock is Jesus, for He is the anchor of my soul!

## *Words of Encouragement from the UFCCM General Overseer*

Hello saints and Friends of the most High God. It is again that I come to you with a thankful heart. I am yet saved, full of the Holy Spirit and in the daily process of sanctification.

I am still rejoicing from the feast in the word that we had in our Annual UFCCM Year End Meeting. God moved and I was blessed from the first night when our Bishop Tindal set the stage and we **Moved Forward by Faith** from that point on in that powerful week!!!!

As we are yet in the pandemic and people's health is yet being challenged by this "invisible enemy", I am grateful to God that I am yet able to shelter in place. Now to be honest, I have had a little, well a good amount of cabin fever, but I am glad that I can get out of the house and spend time by myself with the Lord or with my two sons. Last week, I took the boys fishing and we had a blast! We talked and experienced some good times together out of the house. We had a blast and even though we have had to alter our "normal" plans, we are able to get out and do some things that allow us to be safe, sound, and secure with good social distance.

We have been having powerful services at First Church via the Zoom platform and even though we plan on transitioning back to the physical building, we have been able to use this challenging time of the pandemic to expand our ministry in ways that we had not planned to do this quickly. We were discussing plans to stream our services and install four televisions in the sanctuary as well as two or three video cameras, but suddenly we found that we were home and were pushed into using these faster than we had originally scheduled. God has a way of disrupting our plans and setting us up!! We even transitioned to online giving as well and found out that this platform works well and better than we anticipated. To God be the Glory!!!!

Hold on and hang in there, we are "Moving Forward by Faith (MFF)" and we are looking to see what God has in store this year for us. Remember to **MFF** this year and watch God perform miracles that you would not have expected.

I love you all and look forward to seeing you all soon!!!!

Overseer Tindal

# A Season of Shifting

## Scriptural Ref: Numbers 11

Difficult and uncomfortable as change is, God allows transitional phases to grow our faith, mature us and prepare us for greater blessings. The more willing we are to say yes to these transitional seasons and trust God through them, the more God can do for us.

There is something bigger and better God wants to do in our lives. That's why we're going through various changes. We're in a shifting season; and when we say yes to God as we walk through areas of doubt, distress, distraction, and dissatisfaction there's a major breakthrough we'll step into.

Moses went through transition, a season of shifting and **uncomfortability**. He did not want to be the one to deliver the children of Israel from Egyptian slavery. He argued with God so he wouldn't have to step into that role (Exodus 4). He felt unequipped for such a major assignment but couldn't get himself out of it. The Israelites made matters worse because they didn't adapt well to his leadership. They were disgruntled, inflexible, rebellious, and abusive to Moses.

I believe Moses was stressed. It wasn't like he had power to provide Israel with what they were accustomed to, and there certainly was no going back to Egypt! Israel did a poor job of adapting to the process God was using to create progress. They were resistant to change, they prolonged their time in the wilderness and went through a lot of unnecessary hardships.

God doesn't want that for you and neither do I!

I believe God is sending this word specifically to somebody who is uncomfortable and going through a season of shifting or a transitional moment. You don't have all the answers. You don't know how things will turn out, but you do have a promise from God, and a promise from God is all that's needed.

Despite the drought and/or wilderness today, you are headed toward a blessing. Shifting might not feel good, but great things are on the horizon. God is stretching you and challenging you. You can't grow weary through the process. Through the process growth occurs and growth happens when things become uncomfortable. You never will grow in an easy place! You will reap a harvest (Galatians 6:9) if you embrace your shifting season.

**Accept the transition** – even through the painful and uncomfortable moments. Pain and **uncomfortability** is preparing you for better and greater. Trust God through your dry places. Believe God has equipped you. Willingly give up what you are used to in exchange for the new and better thing God is doing. It is not easy, but it is necessary.

Some say, trust the process, but I say, trust the God of the process. God knows just what He is doing. There is no failure in Him. He knows how to make a way out of no way and miracles are his everyday business. I have seen Him do it for me many times, and He will do it for you. Just believe Him in your season of shifting!

## *Daily Reflections from the Desk of Our Ecumenical Patriarch*

*“And Moses made a serpent of brass, and put it upon a pole, and it came to pass, that if a serpent had bitten any man, when he beheld the serpent of brass, he lived.” Numbers 21:9 “And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life.” John 3: 14-15*

### THE CURSE AND THE CURE

God many times uses that which may cause us defeat to be the means of our victory. Because of their testimony the three Hebrew youths were cast alive into a fiery furnace, but it was that same testimony that became the means of their overcoming the fiery furnace. Sin is a curse and a reproach, yet it is that same sin and curse that God uses to bring the cure. In other words, it is because of sin that we have a Savior, and because of the curse that we have a redeemer.

When Israel fell into sin in the wilderness, God sent serpents among them. Whosoever was bitten by one of those serpents died. Numbers 21:5-9 (6) *“And the LORD sent fiery serpents among the people, and they bit the people; and much people of Israel died.”* The agent of death was the fiery serpent. These venomous serpents caused the death of many who had sinned by rebelling against God and his chosen leader, Moses. When Israel realized their sin, they desired that he pray to God that God would take away the fiery serpents from among them. We are not told that God “took away” the fiery serpents, but we are told that God told Moses to make a fiery serpent and put it upon a pole.

Anyone who was bitten by the fiery serpents, had only to look at the fiery serpent Moses had made and put on the pole, and that person would live. *“And Moses made a serpent of brass, and put it upon a pole, and it came to pass, that if a serpent had bitten any man, when he beheld the serpent of brass, he lived.”* Numbers 21:9 The curse was death as a result of being bitten, but the cure was life as a result of looking at the serpent on the pole. The very thing, the fiery serpents that caused death, was used by God to bring about the cure.

John tells us that as Moses lifted up the serpent, made of Brass (resembling fire) on the pole, in the wilderness that Jesus was lifted up on the cross. All one bitten by that old serpent of sin, need to do is look to Jesus. He became as the fiery serpent, a curse, but God made him the CURE. *“God made him who had no sin to be sin for us, so that in him we might become the righteousness of God.”* 2 Corinthians 5:21 God made the sinless become sin, so that the sinful could become sinless!

### 2020 Year End Meeting

The 2020 Year-End meeting was awesome! Every night we were richly blessed by the word of God from 4 dynamic and anointed speakers. The theme "Moving Forward by Faith" was underpinned by the metaphor of "carrying the ball" to the finish and continues to resonate with me.

After listening to the final message by Bishop Nixon, I have decided that I want to play the position of "receiver", no "wide receiver". The wide receiver in football, as I understand it, must be agile and, on the spur of the moment, be able to avoid obstacles that prevent reaching the goal line. As I receive more and more of God's word, and with the indwelling of the Holy Spirit, I realize that the anointing of the Lord gives us superb agility to "catch" Spirit of God and move quickly when we are faced with obstacles. We can look those obstacles in the face, trusting God that we can, at the same time, look to Jesus to redirect our paths on a turn so that we can follow his lead. He is the lamp unto our feet, the light unto our pathway, and the shepherd that guides us through, what often seem like huge mountains that appear before us.

### First Church of FPD, Baltimore, Maryland Overseer Henry Tindal, Jr., Pastor

He gives us courage to hold onto the ball, puts running in our feet to reach the goal, and gives us the thrill of victory, both now and with Him in glory! From now on, whenever I watch a football game (actually the only one I watch is the Super Bowl), I will be seeing the game from a different perspective as I see Jesus "in action" leading the way.

Despite the inability to meet in person, praise God for the benefits of modern technology. I felt the Spirit of the Lord moving each night as I am sure many others did also. It was a blessing to see so many people we have not seen since last year and praise God, no one has been lost to COVID-19 or any other malady. To God be the Glory! Those who missed this year's meeting missed a tremendous opportunity to observe a great move of the Holy Spirit as "Master of the Game."

### **Holy Greetings in Christ's Name!**

We are yet rejoicing over the wonderful presentation and splendor of such a GREAT Virtual 16th Annual Conference. What a joy it was to be a part of the Headquarters Jurisdiction with our beloved and highly esteemed leader, Her Grace, Mother Bishop Shirley Tindal. Her poise and grace are the embodiment of a true example of a virtuous woman.

Our Ecumenical Patriarch, Charged the Virtual Realm with intense fire of the Holy Spirit, which propelled the energy of the conference.

Bishop-elect Beverly Haywood passed the baton, as our beloved General Overseer Henry Tindal preached us into a Holy Ghost frenzy, as Mr. Caribbean himself, Bishop Aaron Nixon, placed the icing on the cake with his profound and prolific message.

Truly, the Spirit of the Lord was present, as the Worship, The Word, and Fellowship filled the atmosphere with a tremendous out-pouring of the anointing.

Our hearts are full, and spirits have been fed. With great anticipation, I am looking forward to our next gathering of our 17th Annual Conference 2021.

## News & Happenings from KCCM in Rock Hill, South Carolina

We are yet “sheltering in place” here in North and South Carolina. Due to the COVID-19 Pandemic, we have not been able to meet face to face for our regular Sunday Morning services. But we are yet praising God and have much to be thankful about. We have been worshipping with First Church of Faith Power and Deliverance via ZOOM. They have been several others who participate in the service- some as far away as Little Elm, Texas and Nassau, Bahamas! Every Sunday we have experienced a powerful and anointed Word of God! We are encouraged and we are “Moving Forward by Faith”!

**We want to say  
“Congratulations”

## Simon Says Walk by [Faith](#) from Crosswalk.com July 14, 2020

by Shawn McEvoy

Jesus said... *"If anyone wishes to come after Me, let him deny himself, and take up his cross, and follow me."* [Matthew 16:24](#). You remember how to play Simon-Says, don't you? It's probably been a few years. It's the children's game where a leader gives verbal commands that are to be followed if and only if they are preceded by an explicit statement of permission bearing the warrant of mighty Simon himself. Non-"Simon-Says" commands are worthless, and following them only gets you in trouble. Aside from being fun (for a few minutes anyway), the game also helps kids work on motor skills, coordination, listening skills, manners, and respecting authority. I'm not convinced the game's so popular these days, as everyone's more interested in raising leaders than followers anymore, but I digress. Let's just look closely at the three actions in the verse above, which begins not with "Simon Says," but rather, "Then Jesus said..."

**1. Turn Around** (*"let him deny himself..."*). This is what denying one's self is all about. Repentance. Seeing things God's way. Going from darkness to light. Playing the fool for God. Even the notion of playing a child's game is apropos here, as we must not use our own adult human knowledge and wisdom to accomplish this step, but instead we die to self and come willingly in faith like a child.

**2. Bend Over, Stand Up** (*"take up his cross..."*). When you pick up the cross, you have to set down other burdens, the other things that you tend to think define you. Taking up your cross does not equal the burden of being you, your identity. You are indeed unique, but each day you should take on something new from Christ that makes you more like Him.

**3. Go Forward** (*"...and follow Me"*). Following = sacrificial living. It's advancement toward a Kingdom goal. In [Matthew 8:1](#) we find that when Jesus *"had come down from the mountain, great multitudes followed Him."* He had just finished teaching them; they had received instruction from one who had no place to lay his head and was feeding thousands on mere loaves and fishes. Moving forward in the Kingdom can only involve putting others in front of self. Is it really all that foreign to us? People sacrifice all the time to climb ladders in their career and for other personal goals. Why not sacrifice without the ladders?

**Intersecting Faith & Life:** Are these three instructions hard, or easy? The answer depends on perspective. Quitting smoking looks easy to the non-smoker, but the smoker must take it one minute, one day, one step at a time. Losing weight is a manageable goal for most, but if the focus is on losing 60 pounds in the first day the dieter is fighting a losing battle. Make it your goal to Turn Around, Bend Over/Stand Up, and Go Forward one day this week and see where playing "Jesus Said" takes you.

## *Did You Know that There are Poets Amongst Us?*

### **Your Day**

Today is yours, to beautify, to mar  
 You can paint a lovely picture  
 Or leave and ugly scar.  
 Today is yours, emerging still  
 With opportunities new  
 Just how to make the best of them  
 Of course, is up to you.  
 Today is yours, to work to mould  
 Employing all your skill  
 No matter what design you choose,  
 Today awaits your will.  
 Today is yours, each fleeting hour  
 That steals across your way,  
 Has sixty precious minutes-  
 Live graciously today.  
 Today is yours, use it  
 Now is the time and place  
 The world needs inspiration;  
 Today is the day we face.

*Margaret Ann Tindal, circa 1973*

### **Freedom**

From whence have we come and where shall we  
 go? The road seems difficult,  
 darkness is there, the sound frightens,  
 but we move forward.  
 Do we stay or shall we pass on ward?  
 We are not certain of this journey, but we press  
 forward. Many said we would not make it,  
 Should not, could not.  
 Our heads held high and hearts filled with  
 Hope and courage,  
 We press forward.  
 Finally, we see the light,  
 Many have been lost and many are gone,  
 But we continue to travel onward, upward.

*Shirley Tindal July 2020*

### *I Am Alive*

I am overcome with happiness.  
 I am wrapped in joy.  
 I am in rapture.  
 I am fulfilled and filled.  
 I write differently.  
 I speak differently.  
 I finally understand what it means to  
 say that "my hands feel new".  
 Because they do!  
 My eyes feel new,  
 Because they are!  
 My heart feels different  
 Because it is!  
 I have been changed.  
 I have been completely made over by  
 the Holy Spirit! I don't fear the end.  
 For it is only the beginning.  
 To leave here, to be absent from earth  
 is not separation but joining with God.  
 The flesh leaves and the spirit takes  
 over.  
 In his arms, in his Spirit, we become the  
 best that we can be.  
 For it is there that we are whole!

**We Fell Asleep**

*"We fell asleep in one world and woke up in another.*

*Suddenly Disney is out of magic,  
Paris is no longer romantic,  
New York doesn't stand up anymore,  
The Chinese wall is no longer a fortress,  
and Mecca is empty.*

*Hugs & kisses suddenly become weapons,  
and not visiting parents & friends becomes an  
act of love.*

*Suddenly you realize that power, beauty &  
money are worthless,  
and can't get you the oxygen you're fighting for.*

*The world continues its life and it is beautiful.  
It only puts humans in cages.*

*I think it's sending us a message:  
"You are not necessary.*

*The air, earth, water, and sky without you are  
fine.*

*When you come back, remember that you are  
my guests.*

*Not my masters."*

***Faith***

Faith is a commodity that cannot be  
purchased, traded, or sold.

It is a treasure that cannot be claimed  
and put on display in a museum.

It is a richness no amount of money can  
compare to.

When you have faith, you have a power  
that can change night and day, move  
mountains, calm stormy seas.

When you have faith, you can fall over  
and over again, only to stand up each  
time more determined than ever to  
succeed, and you will succeed.

For faith is God in action, and faith is  
available to anyone – rich, poor, young,  
or old – as long as you believe.

## I Have Decided to Follow Jesus

1. I have decided to follow Jesus  
I have decided to follow Jesus  
I have decided to follow Jesus  
No turning back, no turning back.
2. Tho' none go with me, I still will follow none  
Tho' none go with me, I still will follow none  
Tho' none go with me, I still will follow none  
No turning back, no turning back.
3. My cross I'll carry, till I see Jesus  
My cross I'll carry, till I see Jesus  
My cross I'll carry, till I see Jesus  
No turning back, no turning back.
4. The world behind me, the cross before me  
The world behind me, the cross before me  
The world behind me, the cross before me No  
turning back, no turning back.

Songwriters: Traditional / Leslie. B. Tucker

This is a Christian hymn originating from India. The lyrics are based on the last words of Nokseng, a man in Garo, Assam, India about 150 years ago when a great revival spread in Wales and missionaries went to India to spread the Gospel. One man's faith proved contagious and many in this village began to accept Christianity. When faced with execution Nokseng was moved by Holy Spirit to compose this song .

## Glory To His Name

1. Down at the cross where my  
Savior died, down where for  
cleansing from sin I cried, There to  
my heart was the blood applied;  
Glory to His name,
2. I am so wondrously saved from  
sin, Jesus so sweetly abides within,  
There at the cross where He took  
me in; Glory to His name,
3. O precious fountain that saves  
from sin, I am so glad I have  
entered in; There Jesus saves me  
and keeps me clean; Glory to His  
name,
4. Come to this fountain so rich and  
sweet, Cast thy poor soul at the  
Savior's feet, Plunge in today and  
be made complete; Glory to His  
name,

Refrain: Glory to His name, Glory to  
His Name; There to my heart was the  
blood applied; Glory to His name.

1. Sing the wondrous love of Jesus, Sing His mercy, and His grace; In the mansions bright and blessed, He'll prepare for us a placed.
2. While we walk the pilgrim pathway, Clouds will overspread the sky; But when traveling days are over Not a shadow not a sigh.
3. Let us then be true and faithful, trusting serving every day, Just one glimpse of Him in glory will the toils of life repay.
4. Onward to the prize before us! Soon His beauty we'll behold; Soon the pearly gates will open; We shall trad the streets of gold.

### ***Oh, How I Love Jesus***

1. There is a name I love to hear, I love to sing its worth; It sounds like music in mine ear, The sweetest name on earth.
2. It tells me of a Savior's love, Who died to set me free; It tells me of His precious blood, The sinner's perfect pleas.
3. It tells me what my Maker hath In store for ev'ry day; And tho'I tread a darksome path, Yields sunshine all the way.
4. It tells of One whose loving heart Can feel my deepest woe, Who in each sorrow bears a part, That none can bear below.

#### Refrain.

Oh, how I love Jesus, Oh how I love Jesus, Oh, how I love Jesus, Because He first loved me!

*By: Frederick Whitfield, 1829-1904*

### ***Ev'ry Time I Feel the Spirit***

#### Refrain:

Ev'ry time I feel the Spirit moving in my heart, I will pray.

1. Upon the mountain my Lord spoke, Out His mouth came fire and smoke. All around me looks so shine, Ask my Lord if all was mine.
2. Jordan River is chilly and cold, Chills the body but not the soul. Ain't but one train on dis track, Runs to heaven and right back

## Don't Talk About Each Other!

There is so much good in the worst of us and  
There is so much bad in the best of us.  
That it reminds all of us  
That we should not talk about the rest of us!

## You Know you are getting older when:

- Your back goes out more than you do.
- Your knees buckle, but your belt buckle won't.
- You get winded playing chess.
- You sit in a rocking chair and can't make it to go.
- You turn out the light for economic rather than romantic reasons.
- Dialing long distance wears you out.

One man after listening to a list of the Ten commandments remarked,  
"Well at least I've never made any graven images."

## Recipes from around the Jurisdiction!

### Shrimp Enchiladas

1/2lb - 1lb. Shrimp  
 1/2 chopped onion  
 2 cloves garlic minced  
 1 jalapeño - seeded and chopped  
 1/4 tsp. Cumin  
 1/4 tsp. Chipotle chili powder  
 Shredded Monterrey Jack  
 Cilantro (for garnish)  
 8-10 Flour tortillas

#### Sauce:

2 cups heavy cream  
 2T butter  
 1/2 cup cheese  
 1/4 cup sour cream

(I added a dash of seafood seasoning and added drippings from sautéed veggies and shrimp to give sauce more of a seafood flavor)

Let simmer until cheese has melted. If sauce is too thin add a little flour until you have your desired consistency.

#### Directions:

Sauté onion, garlic, jalapeños  
 Add seasonings and shrimp. Cook until shrimp are slightly pink.

Sprinkle cheese in bottom of each tortilla  
 Spoon in shrimp mixture  
 Roll tightly and Place in greased 9x13 pan  
 Pour sauce over the top  
 Sprinkle remaining cheese and garnish with fresh cilantro

Bake 350 Degrees for 15-30min.

Pat an inch thick on a baking sheet and brush the last bit of cream in the measuring cup on top. (This ratio is super easy to cut in half for a smaller batch)

Please note that many of our churches are offering their services online, via Facebook Live, Live stream, Conference Call, ZOOM, and You Tube. We are excited that we have access to this technology so that we can stay connected to one another. **But remember when you are in a live stream such as Conference Calling or ZOOM- remember to PUT YOUR DEVICE ON MUTE!** This is particularly important because the microphones on our devices ( iPhones, computer, or iPads) are extremely sensitive and the audience can hear the slightest sounds that are made in the background. Also, if you are running two devices (computer and phone) you get a large amount of feedback which disables the audience from clearly hearing the speaker.

\*\*\*\*Please that our Jurisdictional Newsletter is published bi-monthly. Our next edition will cover the months of September & October. If you have any articles, announcements, birthday wishes, event photos, poetry, or any church news to share, please forward that information directly to [secretarygeneral@ufccm.org](mailto:secretarygeneral@ufccm.org). The deadline for articles etc. is October 7<sup>th</sup>, 2020. If you are interested in assisting with this endeavor, please send an email with your information (tell us a little something about yourself and why you would like to assist). Please include your church affiliation, Pastor's name, special talents that you may have, and how you can be reached.
