

PROPOSAL * SYNOPSIS * SYLLABUS

OUTLINE:

Purpose:

God's word clearly places emphasis upon preparation for effective ministry. *"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God;"* (Colossians 1:10) The Apostle Paul spent time in Arabia, (Galations 1:15-18) possibly at the feet of the Lord Jesus, studying in "The School of the Spirit," before he conferred with any of the Apostles. He reminds all in the faith to, *"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."* (2 Timothy 2:15) We are compelled to prepare, realizing, *"My people are destroyed for lack of knowledge:"* (Hosea 4:6)

The Holy Spirit (Ruach HaKodesh) has placed in my mind to continue in the Series, Ministerial Enlightenment Course, Lessons on the Feast of Israel. These lessons will introduce to some, and refresh the knowledge of others. It is our prayer that all who undertake the study of these lessons will be not only enlightened, but tremendously blessed. Information will be shared about the Feast of Israel, their application to one's personal life, their underlying prophetic messages and how the timeline of God's promises may be understood through the study of these feast. From this study the solution to certain "Biblical mysteries" mentioned in the Scriptures will be revealed. Hebrew words and phrases will be introduced along with some contemporary customs, and ancient traditions of God's chosen people. How those customs and traditions developed and why they are yet practiced will be included in these lessons. Our rationale in presenting these lessons, is foremost in obedience to a clear leading of the Rauch HaKodesh and to partake in equipping ministers and other church leaders with the knowledge of how to be more effective in their calling as they pursue excellence in ministry as a prime goal in life.

Objective:

The objective of the Ministerial Training Course is twofold. First and foremost, it is being presented to be a source of enlightenment to all who desire to increase their knowledge of the Feasts of Israel and the application of these feasts to the church. Second this course is being presented as a continuing education course towards the Bachelor of Theology or Undergraduate Degree in Biblical Studies in the UFCCM Bible College. The UFCCM Bible College is an Accredited Institution in the UFCCM, that is designed to offer Certificates of Completion and/or degrees to those who would like to further their Biblical knowledge and skills in preparation for effective leadership roles in God's work of Kingdom building.
