Welcome to Ironman Outdoors

For this retreat, we have the privilege of hunting the Reed Family Ranch in Kerens, TX.

The Reed Family Ranch is 1,727 acres located in Navarro County, TX. Miles of the legendary Trinity River border the Ranch, which is famous for its exceptional wildlife habitat.

We will also have the opportunity to hunt hogs at night. Please bring a light, thermal scope, etc.

- Your retreat will be guided by a ProStaff member of Ironman Outdoors.
- This means each guest will be taken to their stands prior to each hunt and each guest will be picked up at their stand at the end of each hunt.
- Stands will most likely have feeders/corn piles with treestands positioned nearby. However, ground blinds may be available.

NEVER leave your stand
at any time during a
hunt.

There will be no stalking
and no tracking of any
animals without a guide
present.

- For lodging, we will be staying in a bunk house on the ranch.
- A pillow and a sleeping bag or a heavy blanket is recommended.
- Linens are provided.
- There's a stocked bass pond on the ranch also, bring your fishing rod.

Meals and snacks will be provided....
including snacks that you can take with you
to the treestand.

Please DO NOT leave trash
on (or in) the stands.

HUNTING LICENSE

- Currently, no hunting license is required to hunt hogs in Texas.
- However, to fish in the pond, you will need a fishing license.
- **Note** - If you violate a game law, you will be asked to leave the retreat without refund.

HARVEST LIMITS

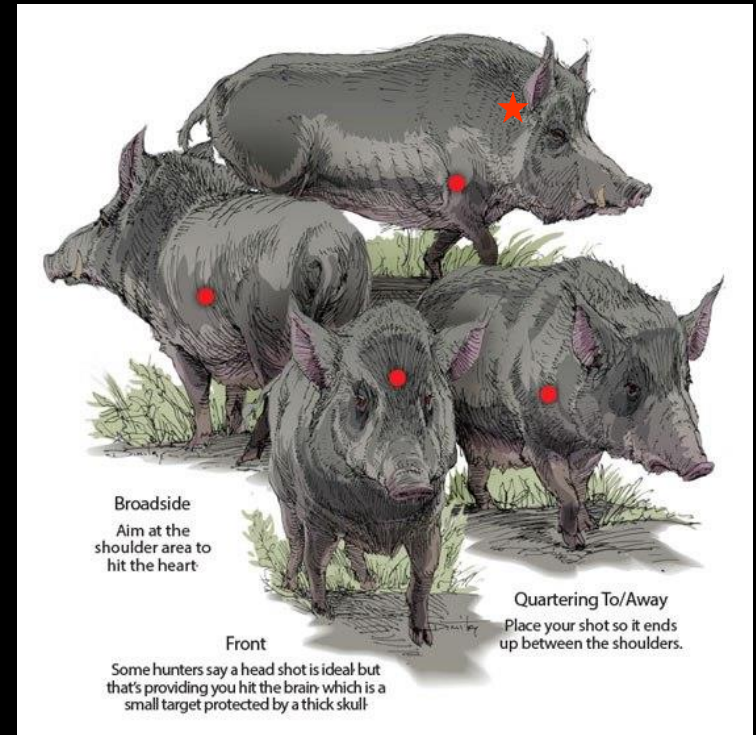

- During the three day hunt, each hunter will be allowed to harvest unlimited hogs.
- We will have a place to skin and clean your harvest but we suggest that you bring a cooler to transport any meat harvested.

TAKING YOUR SHOT

Hogs often grow a “plate” over the front quarter of their body that makes effective heart and lung shots difficult.

- Head shots to the ear with a large caliber rifle are the preferred method of harvest.
- Shotguns are not recommended
- If shooting a bow or crossbow, shot placement is key. A low-shot that is quartering away is crucial. If you hit a hog in the chest (“double-lung-shot”) the “plate” makes tracking and recovering the animal extremely difficult.

MANHOOD DISCUSSIONS

- During our three days together, we will gather as a group to conduct our “Manhood Discussions”
- These discussions are simply an authentic and transparent conversation about what it means to be a Christian man.
- Topics may range from hunting, work, fatherhood and women to leadership, sports and everyday life.
- These are Not Bible Studies, They’re Not Devotions and They’re Not Sermons.
- Every man on the retreat is respectfully asked to be present for these discussions.
