Welcome to Ironman Outdoors

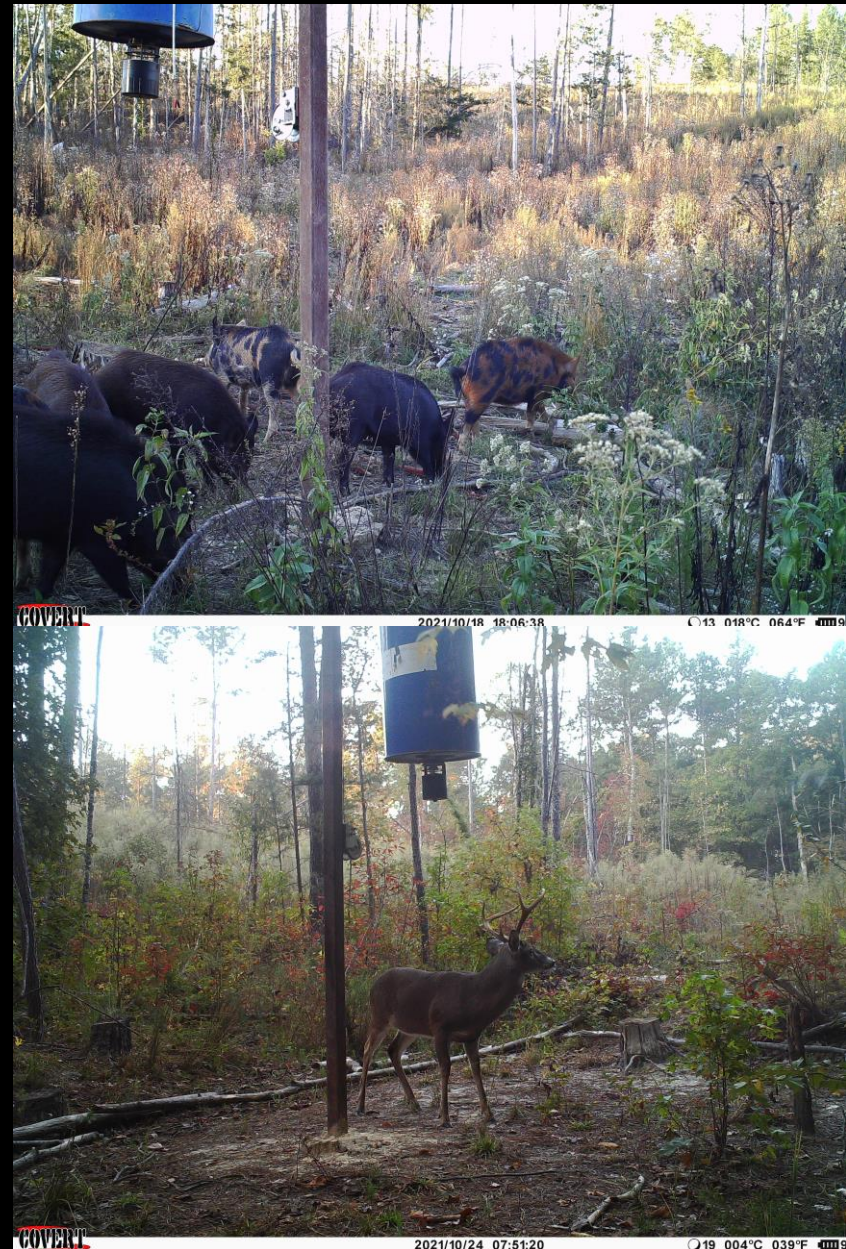

For this retreat, we have the privilege of hunting on private land surrounded by a Christian Camp.

Fairfield County ranks 3rd all time for trophy buck entries in South Carolina. This property also at times has a good population of hogs.

- Your retreat will be guided by a ProStaff member of Ironman Outdoors.
- This means each guest will be taken to their stands prior to each hunt and each guest will be picked up at their stand at the end of each hunt.
- Stands will most likely have feeders/corn piles with treestands positioned nearby. However, ground blinds may be available.

NEVER leave your stand
at any time during a
hunt.

There will be no stalking
and no tracking of any
animals without a guide
present.

- For lodging, we will be staying at a Christian Camp near the property.
- Linens are provided.

Meals and snacks will be provided....
including snacks that you can take with you
to the treestand.

Please DO NOT leave trash
on (or in) the stands.

HUNTING LICENSE

- Prior to allowing anyone to hunt, each attendee will be required to:
 - Sign a liability waiver
 - Show a Valid Hunting License for the state of SC.
- A SC hunting license is available for purchase on-line by.
- **Cost of 3 Day Non Resident license to hunt deer and hogs is \$190.**
- **Note** - If you violate a game law, we will call the game warden and you will be asked to leave the retreat without refund.

HARVEST LIMITS

- During the three day hunt, each hunter will be allowed to harvest unlimited hogs and 1 doe and 1 buck.
- Hunters can harvest 1 buck with at least 4 points on one side and 15 inch wide inside spread.
- We will have a place to skin and clean your harvest but we suggest that you bring a cooler to transport any meat harvested.

**All Bucks Harvested Must Have at least
4 points on one side and inside
spread of at least 15 inches.**

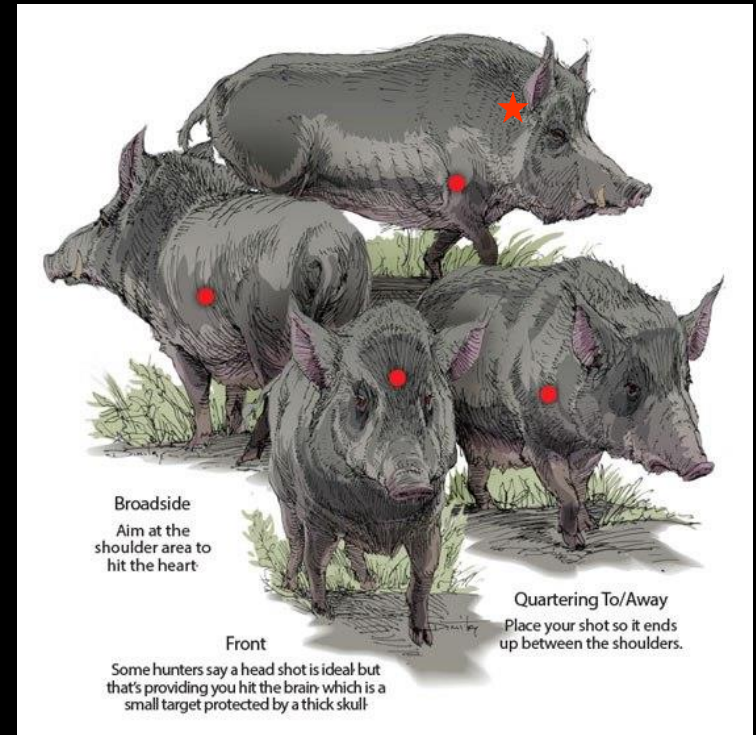

- The penalty for shooting a buck with less than the required minimum is \$150 donation to Ironman Outdoors for bucks greater than 14 inches wide. \$300 donation for bucks less than 14 inches wide.
- Payment will be collected before you leave the retreat.

TAKING YOUR SHOT On a Hog

Hogs often grow a “plate” over the front quarter of their body that makes effective heart and lung shots difficult.

- Head shots to the ear with a large caliber rifle are the preferred method of harvest.
- Shotguns are not recommended
- If shooting a bow or crossbow, shot placement is key. A low-shot that is quartering away is crucial. If you hit a hog in the chest (“double-lung-shot”) the “plate” makes tracking and recovering the animal extremely difficult.

MANHOOD DISCUSSIONS

- During our three days together, we will gather as a group to conduct our “Manhood Discussions”
- These discussions are simply an authentic and transparent conversation about what it means to be a Christian man.
- Topics may range from hunting, work, fatherhood and women to leadership, sports and everyday life.
- These are Not Bible Studies, They’re Not Devotions and They’re Not Sermons.
- Every man on the retreat is respectfully asked to be present for these discussions.
