## Welcome to Ironman Outdoors

For this retreat, we have the privilege of hunting on private land surrounded by a Christian Camp.

Fairfield County ranks 3<sup>rd</sup> all time for trophy buck entries in South Carolina. This property also at times has a good population of hogs.

- Your retreat will be guided by a ProStaff member of Ironman Outdoors.
- This means each guest will be taken to their stands prior to each hunt and each guest will be picked up at their stand at the end of each hunt.
- Stands will most likely have feeders/corn piles with treestands positioned nearby. However, ground blinds may be available.

**NEVER** leave your stand  
at any time during a  
hunt.

There will be no stalking  
and no tracking of any  
animals without a guide  
present.

- For lodging, we will be staying at a Christian Camp near the property.
- Linens are provided.

Meals and snacks will be provided....  
including snacks that you can take with you  
to the treestand.

Please DO NOT leave trash  
on (or in) the stands.

## HUNTING LICENSE

- Prior to allowing anyone to hunt, each attendee will be required to:
  - Sign a liability waiver
  - Show a Valid Hunting License for the state of SC.
- A SC hunting license is available for purchase on-line by.
- **Cost of 3 Day Non Resident license to hunt deer and buck is \$190.**
- **Note** - If you violate a game law, we will call the game warden and you will be asked to leave the retreat without refund.

## HARVEST LIMITS

- During the three day hunt, each hunter will be allowed to harvest unlimited hogs and 1 doe and 1 buck.
- Hunters can harvest 1 buck with at least 4 points on one side and 15 inch wide inside spread.
- We will have a place to skin and clean your harvest but we suggest that you bring a cooler to transport any meat harvested.

**All Bucks Harvested Must Have at least  
4 points on one side and inside  
spread of at least 15 inches.**

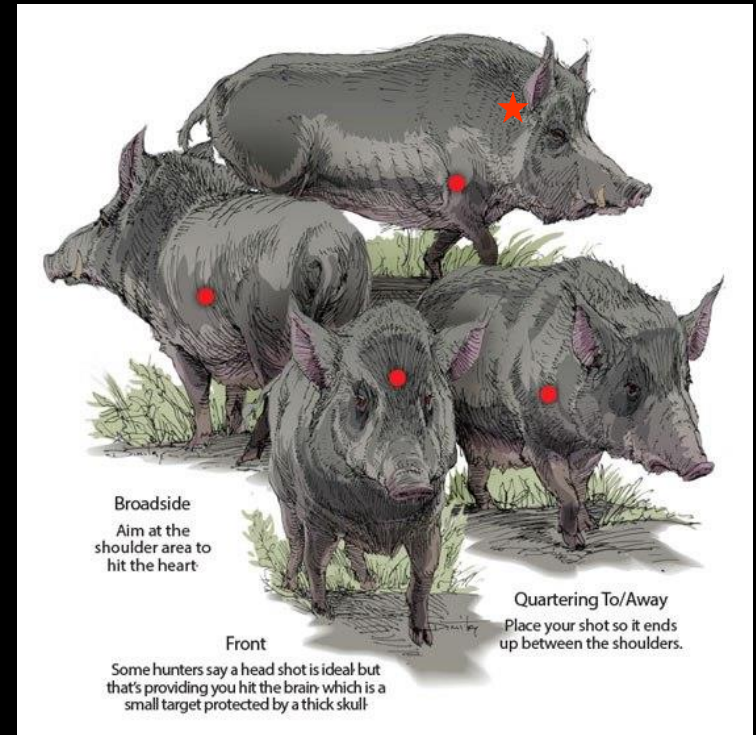

- The penalty for shooting a buck with less than the required minimum is \$150 donation to Ironman Outdoors for bucks greater than 14 inches wide. \$300 donation for bucks less than 14 inches wide.
- Payment will be collected before you leave the retreat.

## TAKING YOUR SHOT On a Hog

Hogs often grow a “plate” over the front quarter of their body that makes effective heart and lung shots difficult.

- Head shots to the ear with a large caliber rifle are the preferred method of harvest.
- Shotguns are not recommended
- If shooting a bow or crossbow, shot placement is key. A low-shot that is quartering away is crucial. If you hit a hog in the chest (“double-lung-shot”) the “plate” makes tracking and recovering the animal extremely difficult.

## MANHOOD DISCUSSIONS

- During our three days together, we will gather as a group to conduct our “Manhood Discussions”
- These discussions are simply an authentic and transparent conversation about what it means to be a Christian man.
- Topics may range from hunting, work, fatherhood and women to leadership, sports and everyday life.
- These are Not Bible Studies, They’re Not Devotions and They’re Not Sermons.
- Every man on the retreat is respectfully asked to be present for these discussions.
