Matthew 6:9-13

Foundations of Prayer

In prayer, we learn to abide in Jesus and experience Jesus' spirit abiding in us. We abide in the physical body of Jesus on earth in community with our local church. We are the eyes, ears, and hands of Jesus to others, as they are the physical expression of Jesus to us. We come to know God in one another and cooperate with God for Kingdom purposes. Jesus provided the foundations for effective prayer in Matthew 6:9-13 and Luke 11:2-4. In addition, a careful review of the actual prayers of Jesus reveals that he practiced what he taught. Join me in Jesus' school of prayer as we examine and apply the foundations He gave us.

- 1) We never pray _____. We are part of God's _____.
- 2) How we _____ God *internally* directs how we _____ God in _____ and _____.
- 3) God is always _____, though God may _____ His _____ in different ways at different times.
- 4) We pray that God's name be regarded with _____, as one who is _____.
- 5) We _____, _____, and _____ God.
- 6) Until and unless we _____ to turn our _____ over to God and seek God's _____, we will live _____ lives.
