My sermon notes:

Small Group Discussion Questions:

- 1) What has been a challenge recently to your spiritual life? How did you manage it? Did you respond in alignment with New Testament Principles?
- 2) Review 1 Peter 1: 1-5; and verses 13-17. Also see 1 Peter 5: 8-11. How can you implement some of these core principles? Perhaps, discuss a specific plan.
- 3) In 1 Peter 1:7, we read that suffering can prove the genuineness of our faith. What might that look like in our lives, and how could that encourage us?
- 4) In what ways could you experience increased faith, hope and love as you continue your journey to his Glory? Think of a specific situation where one of these may be needed in the days ahead.
