My sermon notes:

Small Group Discussion Questions:

- 1) What is an area or “issue” of life that is troubling you these days? Are you responding in a biblical fashion?
- 2) Review 1 Peter 1: 13-16. How would you define “holiness”? What are you doing to develop “holiness” in your life? What do you need to do next in this process?
- 3) Review verse 17. What does it mean to live in “reverent fear”? How are you doing with this?
- 4) What is one element of instruction in these verses that you plan to implement in the coming days? How can this group help you with that process?
