

Focus Group Leader Application

Thank you for your interest in becoming a focus group leader here at CRCOG. Focus groups are going to play a vital role in our mission here at CRCOG.

Where You Can Find Focus for Living.....

- Focus on God
- Focus on Others
- Focus on Ministry

We are called as focus group leaders to love, lead, and encourage others for discipleship and fellowship within our body of believers as well as to grow our circles to connect to one another within the church.

A Leadership candidate should have the following traits

- A consistent relationship with God
- A desire to serve others
- A teachable heart
- Prepared to commit some time each week in preparation and study
- NOT perfect, but actively focusing on their journey as a Christian

There are several steps involved to becoming a Focus Group Leader.....

1. Pray about your desire to lead a group
2. Complete the application
3. Turn in your application to the Information desk in the foyer before or after services or the front office during normal office hours.
4. The Pastoral leadership will review your application and make a final decision.
5. You will be invited to small group training, (Personal interview may be necessary)
6. You will then be a part of the Focus Group launch, and be responsible to sign up, maintain and grow your group.

Thank you for taking the initiative to not only come to church here at CRCOG but to be the church here at CRCOG by leading, organizing and discipling others by focusing on God, Others and Ministry!

Sincerely,

Pastor Ronnie Reid
