NEW MEMBERSHIP ORIENTATION LESSON 4

WHERE DO I FIT?

I Corinthians 12 explains that like the human body, the Body of Christ is designed to be successful when all different parts are working together properly. We should understand that each part needs the other parts, and every part is important.

HELP WANTED!

One way to get involved and find out where you fit on the Team, is to become active in the Ministry of Helps. Helps Ministry is comprised of various team, roles, and individuals who all work together, doing the work of the Ministry, contributing their respective parts to support and help build the Vision of our church, as God had given it to the Leader.

WHAT CAN I DO?

Sometimes it doesn't take long to see where you can be helpful in your new church. Other times, it may not seem as obvious right away, but prayer, patience, and a willingness to serve will help unfold God's plan and direction for your life.

GET WHERE YOU FIT

There are many different ways to get involved in the work of the ministry at Full Counsel. Here are a few easy questions you can ask yourself as you pray about which steps to take next:

- What previous ministry work experience do I have?
- What other special skills or training have I received during my life experience?
- Am I willing to learn something new to get involved and support the Vision?
- Am I willing to fill a vacancy or cover a post if my help is needed and I am available?
- Is there a specific area of ministry that I already feel interested in or drawn to?
- Has God given me any specific instructions about how He wants me to serve?
