Families Against Narcotics (FAN) strives to raise awareness of our Country's fastest-growing narcotics problem - prescription drug abuse. FAN uses Real People sharing Real Stories to put a face on addiction. In the last 8 years, FAN has presented to thousands of students and parents, business, religious, and community groups, and health care professionals about the dangers of opiate addiction. Your donation will allow us to continue educating communities throughout Michigan about narcotic substance abuse and to support those affected by addiction.
