A Great Future and Destiny is sure in the Lord!

Written by Minister Ayana Hart

Congratulations Class of 2023!

You are transitioning into a new, exciting time in your life. As you look toward what lies ahead, I encourage you to set your expectations high, expect and embrace challenges, and enjoy the journey on the path to the future goals and dreams that await you.

1 Corinthians 2:9 (NKJV) says, 'Eye has not seen, nor ear heard, nor have it entered into the heart of man the things which God has prepared for those who love Him.' I challenge you to receive this word for your life. God has so much in store for you, that you cannot even imagine what is to come! What an exciting promise. Apply your faith to this promise and set your expectations high for what God can do in your life. Seek the Lord concerning the purpose and plans for your life and partner with Him to see it come to past. This requires faith, humility, discipline, and intentionality. Exercise your faith, speak life over

your vision, get organized, get focused, and get to work!

As you are working toward future goals and accomplishments, obstacles will arise. Though we are promised a future and a hope in Jeremiah 29:11 (NKJV) life will not be without trials, challenges, and disappointments. It is during these experiences that our character is developed, and we are prepared to receive the promises of God. This is a process, and it will take time. So much of who you will become will be shaped in these valley moments if you embrace the season when it comes (it will come!) Just as a rough object, like sandpaper, is used to make smooth glass, so it is when the Lord refines us by allowing us to experience adversity. 1 Peter 4:12 reminds us not to think it is strange when fiery trials come. We will go through difficult times, but we will reap a harvest if we do not give up. This too shall pass, and your latter will be greater!

Lastly, enjoy the journey that *is* life. Life is a marathon not a sprint! In today's face-paced world, it is easy to feel like you are behind, or that you are getting left behind by people who appear to have more than you. Remember that good things always take time to develop. Just like a seed takes time to grow and mature into a beautiful flower, the dreams and perfect will of God for you takes time to manifest and unfold. There are seasons to life and each one is significant no matter the results you may or may not see. Do not be discouraged! Isaiah 60:22 (MSG) declares that "at the appointed time I the Lord will make it happen." Faithfully sow the seeds God has given you to plant and watch Him bless and breathe on the steps you take to accomplish His will for you. May He send winds of wisdom, favor, and fortitude as you set sail on the uncharted waters of the future ahead.

Dear God,

Please bless these graduates as they go into the world to make it a better place, while they pursue their dreams. Gently guide them, lead them, and show them your way to success and happiness through service to others, as they maximize their own potential. Fill them with joy as they reach their goals, strengthen them as they deal with life's obstacles, and show them that every challenge is a path to character development. Give them the intelligence to make a plan for their futures. Give them the patience and persistence to pursue their ambitions. Most of all, give them caring hearts to look for ways to help the people they meet on their life's journey. Encourage them and lift them up now, as they spread their wings into a clear sky of limitless opportunity. Let each and every graduate be wrapped in the warmth of your infinite love, and let your wisdom show them the way to make the most of their lives. In Jesus' name, we pray, Amen.

Graduation is not the end; it's the beginning...

This U.S. federal holiday is observed on the last Monday of May to honor the men and women who have died while serving in the military. It was formerly known as Decoration Day. This year, Memorial Day will be observed on Monday, May 29.

“We owe a debt of gratitude to the men and women who made the ultimate sacrifice in serving their country,” “We can never fully repay that debt to their families and loved ones, but we must honor their sacrifice with a day of recognition.”

Honoring Others

Happy Mother's Day & Father's Day

How often do we thank our parents for what they have done for us, and for what they are still doing to help and support us when we need it?

May 14th Mother's Day and June 18 Father's Day is a time that we can express our gratitude and thankfulness for what they have done for us.

We also honor and remember our love ones who have touched our lives and have left a legacy that is still shaping our future.
