

FRIDAY NIGHT WITH JESUS

TONIGHT **(07/03)**, join us online (Facebook: Calvary Inverness) @ 7:00pm as we follow the personal ministry of Jesus through the Gospels.

We are in **Matthew 12**, following and watching Jesus as He is confronted by the religious elite of His day.

Jesus had not come from Heaven to simply argue and debate the purpose of His mission. He had come to give life to all who would come to Him in faith.

Anytime He saw someone sick, broken, weak or rejected His heart would be drawn to them. He could not nor would He ever stand idly by and allow people to continue in their suffering.

Jesus loved ministering to those who had been left behind by society. Those who could not help themselves. Those who looked to Him as their only hope.

Unlike the religious leaders of His day, Jesus never put preconditions on those needing help. He simply bid them to *"Come to Me"*.

The primary objective is to encourage those who are shut in, isolated and discouraged. To let each person know that Jesus is fully aware of their circumstances, and He is able and willing to meet them at their point of need. And, to know that He is as close as the mention of His Name.

The second objective is to prepare us to minister to those in need and to do it in the power of His Spirit. To be sensitive to His leading, and to courageously step out in faith, when called upon.

Look forward to sharing this with you.

Blessings,
Pastor
