

BIRTH OF A NATION

Tonight (Wednesday 9/15, 7:00 pm) gather with your Calvary Chapel family in the main sanctuary or on **Facebook** (Calvary Inverness), as we continue our three year journey through the Bible (Exodus 11-17).

In the passage, God spoke to Moses and said that He would bring one more plague on the people of Egypt. Afterward, Pharaoh who had resisted Moses' command to let Israel go free, would finally heed and demand Israel leave immediately.

Moses prepared Israel for that monumental event by relaying God's instructions for Passover. It would be the means that God would use to save Israel from the final plague that would result in the death of Egypt's firstborn.

Afterward, under Moses' leadership two million plus people walked out of Egypt into the wilderness. They didn't know where they would go, but they believed in God and Moses.

The chapters following Israel's deliverance from Egypt, records the miraculous events of the drowning of Pharaoh's army in the Red Sea, bitter waters made sweet, Manna from Heaven, and drinking water that flowed freely from a rock.

Each of the events in Exodus attested to God's provision, protection and absolute proof that He would fulfill every promise He had made.

Please pray that this journey, through the Word of God, will be received by open hearts that long to grow in the Grace and Knowledge of Jesus. And, that He would do a deep and

effective Work in and through us for a world that is in desperate need of a Savior.

In His Strong Love,
Pastor
