

**M**y book will help readers (Christians who have a relationship with God and non-Christians, those who are alienated at the moment), to identify, discover, cultivate, and unleash their Gift (s) that God has instilled in each one of them, for the greater good of society as a whole Roman's 12:6. My book points out in each chapter the process of exact ways God goes about to accomplish this (Romans's 2:11).  
Jeremiah 29:11

One reason readers will be drawn/interested in my writing/book, is the fact, that the words on the pages are real life events/scenarios that occurred in my life, which allowed me (by the help of our creator, God), to chart/navigate life, discover my place in society, and know why I was born or what I was born to do.
