

Thank you:

The Lord continues to transform prisoners through the work of the many faithful volunteers at Deep Meadow. My four inmate Chaplain Assistants also do an excellent job in reaching out to the men at the prison. We've seen a number of men come to faith in Jesus Christ in recent months. We've also had two new volunteers approved to begin ministering alongside the current team of faithful volunteers. Thank you for your continued prayers and support.

Recent News:

- Eighteen men recently trusted Jesus Christ as their Lord and Savior. I had the privilege of baptizing 15 of them last week at one of our services. Three of these new believers had come out of very satanic belief systems. It was a wonderful gathering of faithful believers.
- Recent visits to the infirmary at Deep Meadow have been very instrumental in those men's lives. I was able to be with two of the men during their final days on earth and to provide them with needed spiritual comfort. Three of the staff nurses also asked for prayer.
- Kairos Prison Ministry International, Inc. (Kairos) is a lay-led, interdenominational Christian ministry in which men and women volunteers bring Christ's love and forgiveness to prisoners and their families. The Kairos programs take the participants on a journey that demonstrates the love and forgiveness of Jesus Christ. The programs involve a structured model that includes the weekend experience, followed by participants gathering regularly for accountability, support, and prayer.
- The Lord is beginning to open up a door of receptivity among some of the leadership at the prison. Pray for the Spirit's guidance as I reach out to them.
- David Howell, a returning citizen, is an active part of Clover Hill Church. He now has his own landscaping business, called C.S.M. Landscaping (and small engine repair). C.S.M. stands for Christ who Strengthens Me, which is from his special verse Philippians 4:13. David is a hard worker – so if you need some yard work or small engine repair work done please give him a call at 709-2235.

Assisting those who are being released

We hope to be able to assist many more "returning citizens" who are re-entering society. They really need help as they begin a new life on the outside.
