For believers to understand their Kingdom authority in Heaven and on Earth and to seek to live a "naturally supernatural" lifestyle empowered by God's love infused with the power of the Holy Spirit with signs & wonders following "as witnesses unto Christ"!

Allen, Smith Wigglesworth, William Seymour, Mary Woodworth-Etter, Kathryn Kuhlman and many others) that were used in great supernatural moves that God released in the earth and how each movement sparked a revival in the church, and preached to the gospel of Jesus, and deliverance to the lost.

The goal of a Firestarter is to be motivated to live from passion versus performance or obligation, directed by purpose lived out through our God-given identity and destiny, and fueled by power expressed through purity, prayer, the prophetic, and healing.

GGSSM School of the Supernatural ~Ministry Operations~

Prophetic & Healing Ministry Teams

GGSSM ministry team's purpose is to release the supernatural power of the Holy Spirit into the lives of others through prophetic & healing ministry. Designed to minister 1-on-1 to individuals through exhortation, edification, comfort the love of God and His promises and blessings for their life. Prophetic & Healing ministry teams minister at Greater Grace Temple before and after Sunday morning worship services, Word night services, and outside special events and services as requested.

Ministry team members undergo specific ongoing training and are currently enrolled in the School of the Supernatural or have completed 1yr

Treasure Hunts Outreach Teams

The goal of the GGSSM Treasure Hunt is to teach believers how to live naturally *supernatural lifestyle*, expressing and demonstrating the Kingdom of God wherever you go, to whomever you meet. It is an easy, fun, strategy to help you launch out in your supernatural destiny as a world changer and revivalist.

Treasure Hunts incorporates the use of words of knowledge (clues) that you write on your Treasure Map to find Treasures (people) who need a supernatural encounter with God through an encouraging prophetic word or healing. Treasure hunts are a great tool for those who have felt intimidated by witnessing to family members, friends, co-workers, and those in the community. *Through this fun and easy method you become empowered with confidence and competence to bring supernatural encounters to people around you. Through treasure hunts you can become a world changer, transforming your community one encounter at a time!*

Treasure hunts outreach teams go outside of the church monthly into the local community public venues to touch the lives of others with the love and power of God through prayers, prophesy, and encouragement changing the world one person at a time as the "hands and feet" of Jesus.

Annual Treasure hunt training is conducted annually however, new members are encouraged to join each month and will learn through the team they are assigned
